Dead Husbands:

Life at the Bottom of Babylonian Society Jonathan S. Tenney, 2011-07-12 Life at the Bottom of Babylonian Society is a study of the population dynamics family structure and legal status of publicly controlled servile workers in Kassite Babylonia It compares some of the demographic aspects proper to this group with other intensively studied past populations such as Roman Egypt Medieval Tuscany and American slave plantations It suggests that families especially those headed by single mothers acted as a counter measure against population reduction flight and death and as a means for the state to control this labor force The work marks a step forward in the use of quantitative measures in conjunction with cuneiform sources to achieve a better understanding of the social and economic forces that affected ancient Near Eastern populations **The**

Theatre of Love, Sex, Marriage and Beyond Gaglozoo H. A. Berdie, 2016-04-25 It is through a deep reflection that I have been able to frame the title of this book which is The Theatre of Love Sex Marriage and Beyond In fact the contents of this book take their roots from the title This book is designed to cover as much as possible a substantial number of the various aspects of the subjects I have discussed as dealt with specifically by the innumerable authors at one time or the other It is without the slightest doubt that not all or every aspect of the subjects of love sex and marriage written or propounded by authors researchers psychologists sexologists and medical scientists can be found in one book These different and innumerable ideas theories hypothesis and research findings are as scattered in uncountable books articles newsprints or papers and magazines I will in all honesty admit that what I have attempted to do in this book is only a tip of the iceberg considering the infinitude of the intellectual input and output of others in the myriad of data on the subject I have divided this book into four parts love sex marriage and the beyond These notwithstanding I hope this humble rendition however inadequate would give readers a general overview of the essentials of these enigmatic subjects of love sex marriage and the beyond **The History of human marriage v. 1** Edward Westermarck, 1922 **The Katha Sarit Sāgara** Somadeva
