Dead Sea Scrolls A New Historical Approach:

The Dead Sea Scrolls Cecil Roth, 1965 **The Dead Sea Scrolls in Scholarly Perspective: A History of Research** Devorah Dimant, Ingo Kottsieper, 2012-01-20 This book contains an exhaustive survey of past and present Qumran research outlining its particular development in various circumstances and national contexts For the first time perspectives and information not recorded in any other publication are highlighted **History and Memory in the Dead Sea Scrolls** Travis B. Williams, 2019-05-16 Charts a new methodological course in Dead Sea Scrolls scholarship by employing memory theory to inform historical research This is an instructive resource for scholars who are seeking an alternative to currently constructed approaches to the subject and will be of appeal to those interested in the Dead Sea Scrolls more generally **The Dead Sea Scrolls and the Personages of Earliest Christianity** Arthur E. Palumbo, 2004 Who wrote the Dead Sea Scrolls Paleographical dating has tended to downplay the Scrolls importance and to distance them from the personages of earliest Christianity but a carefully worked out theory based on radiocarbon dating and other tests connects Scroll allusions to personages and events in the period from 37 BC to AD 71 and suggests a new view on how and why the Romans crucified Jesus Part I of this study is an attempt to deal more realistically with the evidence of the Dead Sea Scrolls very few scholars have ever examined the period from 37 BC to AD 71 as the possible setting for the scrolls Nevertheless everyone would admit the existence of scroll allusions that only have real relevance in this time period Part II takes up Jesus and the beginnings of Christianity **Josephus and Modern Scholarship (1937-1980)** Louis H. Feldman, 2015-11-27 No detailed description available for Josephus and Modern Scholarship 1937 1980 *A History of the Jews* Max I.
