Dead Sea Scrolls Paperback By Heline Theodore:

A Journey to the Roots of Rastafari Abba Yahudah, 2014-07-03 Ethiopia accepted Christianity as her sovereign faith after being a Judaic nation for centuries before Christ Her political seat being the Throne of David makes this event uniquely significant in that Judaism as a religion or as a nation had no existing empire By this we mean that after the destruction of Jerusalem in 588 BC and the dispersion of the Israelites the Jews as a nation were unable to reconstruct an independent state anywhere in the world except for the empire established in Ethiopia Therefore Ethiopia represented the only nation to have made such a transition from Judaism to Christianity When one makes a thorough study of the traditions of the biblical Jewish nation one will understand that a Jewish nation could not be reestablished without the Throne and seed of King David Therefore Israel as a place remains to be the fragmented ruins of a past flourishing Jewish state The Roman invasion and occupation of Jerusalem created an atmosphere of tension and political unrest that continued and subsequently led to the destruction of this once glorious city which used to house the Ark of the Covenant All this occurred before the birth of Christ who was to be the major element in the events that were to lead to a New Way The Dead Sea Scrolls Theodore Heline, 1980 *Digging through History Again* Richard A. Freund, 2023-01-07 Digging through History Again New Discoveries from Atlantis to the Holocaust follows archaeologist Richard Freund s journey through some of the most fascinating archaeological sites of human history including the mysterious Atlantis Qumran and the Dead Sea Scrolls a medieval synagogue in northern Spain and the long buried Holocaust camp Sobibor and long neglected sites of the Holocaust Each chapter takes readers through a different archaeological site showing what we can learn about past religious life and religious faith through the artifacts found there as well as what has given each site such strong staying power over time It also highlights the technological developments in geoscience and archaeology of the last 25 years that allows us to uncover more with less time expense and labor while observing the sensitivities associated with Jewish traditions Digging Through History Again further explores just how expansive the lost Atlantis Civilization really is expands upon information known about the Dead Sea Scrolls and the newly discovered caves where more scrolls will be found and uncovers new excavations of the death camp of Sobibor the secrets of the Warsaw Ghetto and escapes from Sobibor Ponar and Fort IX that will help set a standard for future archaeology of the Holocaust Richard Freund and the research in Digging through History are featured in the National Geographic documentary Atlantis Rising which premiered on National Geographic in 2017 and a documentary follows Oscar winning executive producer James Cameron and Emmy winning filmmaker Simcha Jacobovici as they investigate the myths and realities of Atlantis The chapter on the Archaeology of Jewish Resistance during the Holocaust is also a part of the new television documentary Resistance They Fought Back set to air in 2023 Digging through History is the only book that details Freund s groundbreaking research on Atlantis and on Jewish resistance during the Holocaust that is featured in the films **The Dead Sea Scrolls** Allegra Branson, 1958 **Books in Print** , 1981 *Religious Books*
