Deadly Design:

Deadly Design Brandy L Rivers, 2016-10-13 Some deadly designs can right the wrongs of the past Years ago Erik Mortale loved and lost Monique when he chose his path He wanted to make a difference to change the mages perspective of Other casters Erik made great strides until a death tore them apart Monique DeSandre has been burned repeatedly by the Silver Council and their misconceptions of Enchanters The designer has made a name for herself as the leading supplier of magically enhanced clothing As much as she s tried to leave Erik in the past she can t let go no matter their differing views The new magister has created a new Diverse Special Forces program Once again Erik has been brought back as one of the high ranking Enforcers as well as a trainer However an elitist mage wants to destroy the group and has chosen Erik as the scapegoat With tensions rising Monique will fight for the man she s pushed away for years But is it too late to fix what s broken And can they prove Erik isn t the one behind the ritualistic murders *Deadly Designs* Dale Mayer, 2019-08-18 Drawing is her world but when she s banished to a deadly new world and needs help it s his world too Her Storey Dalton wants to go home but something goes terrifyingly wrong and she ends up in her worst nightmare There s no escape not without Eric or her stylus Then she finds someone who needs rescuing even more than she does Him Eric Jordan races to save Storey only to realize a close family member has betrayed them both Now the enemy is closing in on him When he meets up with Storey he knows her plans are a bad idea but she won t be dissuaded and it could be their only way of staying alive It the stylus now bonded to Storey s artistic soul is determined to survive this new chaos against all odds But damaged from a prolonged separation he can t help Story or Eric without making things worse Them Storey is determined to make things right Eric is determined to help her Neither counts the personal cost until their very lives are in danger **Deadly Design** Marion Moore Hill, 2010-12-15 What promises to be a perfect summer for Millie Kirchner a chance to volunteer at the archaeology site at Poplar Forest Thomas Jefferson s secret retreat turns ominous as first an archaeology intern and then Millie s housemate are murdered Millie discovers that the deadly past holds the key to the murders in the continuation of this series that links the doings of a founding father to modern times *Deadly Design* is the second of the *Deadly Past* books *Mystery* by Marion Moore Hill originally published by Pemberley Press **American Criminal Reports** John Gardner Hawley, John Gibbons, John Fickey Geeting, Henry C. Geeting, 1896 **Criminal Briefs** William Henry Malone, 1886 **A Treatise on the Law of Homicide in the United States** Francis Wharton, 1875 *American Criminal Reports*, 1896 *Dangerous Designs* Dale Mayer, 2011-07-01 Warning there is some swearing and this book ends with a cliffhanger ending Book 2 *Deadly Designs* picks up where this one ends off The printed form of this book is 202 pages Drawing is her world but when her new pencil comes alive it s his world too Her Storey Dalton is seventeen and now boyfriendless after being dumped via Facebook Drawing is her escape It s like as soon as she gets down one image a dozen more are pressing in on her Then she realizes her pictures are almost drawing themselves or is it that her new pencil is alive Him Eric Jordan is a new Ranger

and the only son of the Councilman to his world He s crossed the veil between dimensions to retrieve a lost stylus But Storey is already experimenting with her new pencil and what her drawings can do like open portals It The stylus is a soul bound intelligence from Eric s dimension on Earth and uses Storey s unsuspecting mind to seek its way home giving her an unbelievable power She unwittingly opens a third dimension one that held a dangerous predatory species banished from Eric s world centuries ago releasing these animals into both dimensions Them Once in Eric s homeland Storey is blamed for the calamity sentenced to death When she escapes Eric is ordered to bring her back or face that same death penalty With nothing to lose can they work together across dimensions to save both their worlds **Supreme Court Reporter** ,1895
