 Bolivia s powerful social movements and the forces they re up against      **THE ESTEEM CAPSULES** S. G TREASURE  
 ,2024-08-01 Life s adversities and misfortunes have succeeded in destroying many people s self esteem so much so that they  
 no longer believe in themselves believing nothing good could come out of their lives They now see themselves as worthless  
 useless unworthy and good for nothing due to certain life s challenges and misfortunes Unfortunately what they don t realise  
 is that life s adversity doesn t make one less of a human Likewise how one treats oneself is the exact way others will treat one  
 If you see yourself as worthless useless unworthy and a nonentity others will treat you exactly the same way This negative  
 mentality has therefore plunged many victims of life s challenges further into depression self pity and self hate making their  
 recovery from their problems near impossible In view of this the book THE ESTEEM CAPSULES has been written The book  
 has been published to build the self esteem of those facing one life s challenges or another while making them relevant  
 fulfilled and happy despite their disadvantaged state Consequently everyone suffering from low self esteem low self worth or  
 self pity as a result of unfavourable life s situations will indisputably find this book helpful useful and highly comforting
