## Day Of The Lamb:

Day of the Lamb Edgar C. James,1980      **Our Passover Lamb** Sharon Ellis,2018-09-28 How would you like to dig into a treasure chest and be able to pull out the treasure you find You can keep it forever What if you found out that the treasure chest had no bottom to it You can keep pulling out treasures day after day after day You ve hit the jackpot That s what you can do by studying the Bible God s Word The author divided Jesus last days on earth into days of the week so families today could read the story of what happened to Jesus on the same day of the week it occurred On Sunday for example you would read what happened to Jesus on Sunday Since the Jewish day began at sundown words like sundown even or evening meal were used as the criteria for determining when a new day began Not wanting to miss any words in the four gospels the author decided to combine each of the gospel stories into one combined story By doing this it soon became apparent that Jesus was actually crucified on Thursday He followed all of the Jewish laws about Passover He was crucified at the exact moment the priest was slaying the Passover lamb in the temple He truly is Our Passover Lamb At the end of the book are several Bible studies the author had written in the past and she hopes you will enjoy them during your own Bible study
