City, Sister, Silver Jáchym Topol,2000 Winner of the Egon Hostovsky Prize as the best Czech book of the year this epic novel powerfully captures the sense of dislocation that followed the Czechs newfound freedom in 1989 City Sister Silver is more than just the story of its young protagonist who is part businessman part gang member part drifter It is a tour de force that includes terrifying dream scenes excellent reportage Czech and American Indian legends a nightmarish Eastern European flea market comic scenes about the literary world and an oddly tender story of the love between the protagonist and his spiritual sister

The Publishers Weekly ,1997 *I, City* Pavel Brycz,2006 I City is a novel about the north Bohemian city of Most an ancient city founded on a primeval wetland literally relocated because it stood on a coal field The city is the narrator of this unusual story telling its own story through its inhabitants who make their appearances in fleeting ghost like vignettes and Joycean epiphanies The I is a whole consciousness enough removed from the town that it sees and knows everything past and present As Most s people emerge from the pollution and swamp of the town s founding their historical that mistrust history with typical Czech irony Here in the city fictional people say factual things and factual people Kafka the Pope the last president of Communist Czechoslovakia Gustav Husak say fictional things Book description from www.amazon.com
