Ddaythe Secret Battle:

The Normandy Campaign 1944 John Buckley,2006-07-29 With essays from leading names in military history this new book re examines the crucial issues and debates of the D Day campaign It tackles a range of core topics placing them in their current historiographical context to present new and sometimes revisionist interpretations of key issues such as the image of the Allied armies compared with the Germans the role of air power and the lessons learned by the military from their operations As the Second World War is increasingly becoming a field of revisionism this book sits squarely within growing debates shedding new light on topics and bringing current thinking from our leading military and strategic historians to a wider audience This book will be of great interest to students of the Second World War and of military and strategic studies in general

D-Day: The First 72 Hours William F Buckingham,2004-05-01 The Allied invasion of occupied France began by delivering three airborne and six infantry divisions onto a 60 mile stretch of the Normandy coast Accomplishing this involved over 1 200 transport aircraft 450 gliders 325 assorted warships and more than 4 000 landing vessels The first 72 hours of the D Day invasion were pivotal from the initial airborne landings in the early hours of Tuesday 6 June 1944 we follow the Allied attackers and their German opponents hour by hour as they fought until fresh units began to take over from Thursday 8 June 1944 William F Buckingham s astounding history finally lays to rest the myths surrounding the Normandy invasion He contradicts the popular perception that the American OMAHA landing force suffered disproportionately In fact the fighting on the British and Canadian beaches GOLD SWORD and JUNO was no less intense and the cost was much closer to that of OMAHA than is commonly thought The reality of D Day was that a devastating number of men from all sides of the Allied forces who landed on the beaches that day would never set foot on their native soil again
