

Baudelaire, Les Fleurs du Mal = « À une passante »

Introduction

Vous savez que Baudelaire a été critique d'art. Il a notamment beaucoup admiré un artiste de son époque, Constantin Guys. Ce peintre capte des instants éphémères, représente ses contemporains, dans les costumes de l'époque, dans la rue, au théâtre, accoudés au rebord des fenêtres.

Dans un recueil d'essais intitulé Le Peintre de la vie Moderne, Baudelaire fait l'éloge des aquarelles de Constantin Guys :

Il s'agit pour lui de dégager de la mode ce qu'elle peut contenir de poétique dans l'historique, de tirer l'éternel du transitoire ».

Charles Baudelaire, Le Peintre de la vie moderne, 1885.

Et il en profite pour définir sa propre conception de la beauté moderne :

Le Beau est toujours composé [...] d'un élément éternel et d'un élément relatif, circonstanciel ».

Charles Baudelaire, Le Peintre de la vie moderne, 1885.

La deuxième partie des Fleurs du Mal, après Spleen et Idéal, s'appelle « Tableaux Parisiens » : le poète va chercher dans la ville cette sorte de beauté qui peut seule le sauver du spleen. La passante devient alors une allégorie de cette beauté paradoxalement éternelle et transitoire, atemporelle et circonstanciée, dans un poème qui constitue un véritable manifeste esthétique.

Problématique : Comment Baudelaire met-il en scène cette rencontre impossible, de manière à illustrer sa propre conception de la recherche esthétique ?

Axes de lecture pour un commentaire composé :

- > Le récit ironique d'une rencontre impossible.
- > La sensualité d'un croisement de regard.
- > La dimension picturale d'une peinture de la vie moderne.
- > la mise en scène d'un moment suspendu, un mouvement figé dans le temps.
- > L'allégorie d'une beauté paradoxale, douce et dangereuse, éternelle et transitoire.
- > Une réflexion sur la recherche esthétique et le génie créateur.

Premier mouvement : La mise en scène d'une rencontre

La rue assourdissante autour de moi hurlait.

Longue, mince, en grand deuil, douleur majestueuse,

Une femme passa, d'une main fastueuse

Soulevant, balançant le feston et l'ourlet ;

Charles Baudelaire

De Baudelaire Atildenbsp Mallarmatildecopy:

The Flowers of Evil / Les Fleurs du Mal : English - French Bilingual Edition Charles Baudelaire, 2018-06-27 Les Fleurs du mal English The Flowers of Evil is a volume of French poetry by Charles Baudelaire First published in 1857 it was important in the symbolist and modernist movements The poems deal with themes relating to decadence and eroticism This Bilingual English French edition provides the original text by Baudelaire and its English translation by Cyril Scott The initial publication of the book was arranged in six thematically segregated sections 1 Spleen et Id al Spleen and Ideal 2 Tableaux parisiens Parisian Scenes 3 Le Vin Wine 4 Fleurs du mal Flowers of Evil 5 R volte Revolt 6 La Mort Death Baudelaire dedicated the book to the poet Th ophile Gautier describing him as a parfait magicien des lettres fran aises a perfect magician of French letters The foreword to the volume Au Lecteur To the Reader identifying Satan with the pseudonymous alchemist Hermes Trismegistus The author and the publisher were prosecuted under the regime of the Second Empire as an outrage aux bonnes moeurs an insult to public decency As a consequence of this prosecution Baudelaire was fined 300 francs Six poems from the work were suppressed and the ban on their publication was not lifted in France until 1949 These poems were Lesbos Femmes damn es la p le clart or Women Doomed In the pale glimmer Le L th or Lethe celle qui est trop gaie or To Her Who Is Too Joyful Les Bijoux or The Jewels and Les M tamorphoses du Vampire or The Vampire s Metamorphoses These were later published in Brussels in a small volume entitled Les paves Scraps or Jetsam On the other hand upon reading The Swan or Le Cygne from Les Fleurs du mal Victor Hugo announced that Baudelaire had created un nouveau frisson a new shudder a new thrill in literature In the wake of the prosecution a second edition was issued in 1861 which added 35 new poems removed the six suppressed poems and added a new section entitled Tableaux Parisiens A posthumous third edition with a preface by Th ophile Gautier and including 14 previously unpublished poems was issued in 1868 Les Fleurs Du Mal by Charles Baudelaire Charles Baudelaire, 2019-01-04 The Classic French text translated by Eric Gans **The Flowers of Evil / Les Fleurs Du Mal (Dual Language French English Edition)** Charles Baudelaire, 2019-12-02 Upon its original publication in 1857 Charles Baudelaire s Les Fleurs du Mal or The Flowers of Evil was embroiled in controversy Within a month of its publication the French authorities brought an action against the author and the book s publisher claiming that the work was an insult to public decency Eventually the French courts would acknowledge the literary merit of Baudelaire s work but ordered that six poems in particular should be banned from subsequent publication The notoriety caused by this scandal would ultimately work in the author s favor causing the initial publication to sell out thus prompting the publication of another edition The second edition was published in 1861 it included an additional thirty five poems with the exclusion of the six poems censored by the French government Finally in 1868 a third edition was published posthumously This collection added an additional fourteen poems selected by two of Baudelaire s friends yet again excluded the six censored poems Literary scholars generally agree that while well meaning the addition of these poems in the third edition disrupt the

structure intended by Baudelaire and thus the 1861 edition should be considered as the definitive edition In this volume we reproduce that 1861 edition along with the six censored poems in the original French and in an English translation by William Aggeler Rich with symbolism The Flowers of Evil is rightly considered a classic of the modernist literary movement Its themes of decadence and eroticism seek to exhibit Baudelaire's criticism of the Parisian society of his time *Les Fleurs Du Mal* Charles Baudelaire, 2015-01-27 Considered by some critics as the definitive translation to date of Baudelaire's seminal work of world poetry this dual language book published in 2015 contains facing page translations of the complete text of the 1861 edition with the six poems which were banned in 1857 also included after the main text The translations preserve both the original versification and the intrinsic sense of each original poem *Les Fleurs du Mal* marked an important turning point in the history of world poetry providing a crucial link between romanticism and modernism **Baudelaire: Poems of 1861: A Dual-Language Book with Translations in English Verse** Charles Baudelaire, John E. Tidball, 2018-09-20 The original poems in this book were published by Charles Baudelaire in 1861 under the title *Les Fleurs du Mal* This was the second edition of the same name but it differs from the first edition both in the increased number and in the order of poems The first edition consisting of one hundred poems appeared in 1857 but almost immediately after publication Baudelaire and his editor were prosecuted and condemned for *Fleurs Du Mal* Robert Scholten, 2011 This volume includes a new translation of *Les fleurs du mal* by Charles Baudelaire 1921 1967 often considered to be France's foremost poet and the first modern one *Flowers of Evil* was Baudelaire's major work he worked on it all his adult life until aphasia robbed him of the use of language Counting the unnumbered introductory poem To the Reader but not the unnumbered and incomplete final Sketch of an Epilogue for the 2nd Edition there are 160 poems in the definitive edition published in 1948 by the Club Français du livre All are included in this volume in both French and English except for one written in Latin *Les fleurs du mal* has seen numerous translations of all or part of the original into English some in rhyme and meter others in free verse or prose some that are close to the French text others straying far afield An incomplete one is by Edna St Vincent Millay published in 1936 It is the one best known and rightly so even though as has been said that twentieth century poet tended to employ a nineteenth century vocabulary whereas that nineteenth century poet Charles Baudelaire seems to belong in thought emotion and language squarely in our time When the current translator Robert Scholten discovered *Les fleurs du mal* he fell instantly under its spell not only of its poetry but of the truthfulness and courage with which the poet had looked at both the good and the evil in his heart the light and the dark present in all of us if not usually in such extremes as in Baudelaire The events in Scholten's youth in Europe during the nineteen thirties and forties brought into stark vision the reality that love and hatred co exist in man with more ease than we like to think So do anxiety and peace prejudice and tolerance courage and fear the joy of living and the fear of death and a host of other contradictory thoughts and feelings He learned he was not exempt from such counter currents So it was that many years later Scholten was struck

by the conflicts the poet expressed when he wrote about his long time and only true love Jeanne Duval in his suicide letter of 1845 such lines as in this translation Mistress of mistresses memory's mother Oh you my devotion and source of delight Recall how we gently caressed one another How sweet was the home and how charming the night Mistress of mistresses memory's mother from The balcony but also in rebellion against her dominion over him You Who humbled my spirit and dared To make it your bed and domain To you infamous one am I paired Like a galley slave held by a chain from The vampire after which it gets worse Elsewhere with the raw nerves of anxiety My reason in vain tried to master the rudder But against all my efforts the storm toyed with me And caused the old wreck of my soul to shudder As mastless it danced on a limitless sea from The seven old men but then hoping for a moment of calm while still conscious of pain and fear Be good o my Pain stay calm and have pity You asked for the Evening it falls it is here A dark atmosphere now envelops the city With its peace but to some it brings worry and fear from Meditation Many more examples of such opposite feelings could be given but of course not all of Baudelaire's poems are about the conflicts in our hearts their range is far and wide Some are rather philosophical or visionary in nature some touch upon religion whether of the American Indian or the Les Fleurs Du Mal Charles Baudelaire, 2015 Poetry Translated from the French by Eric Gans For sheer reading pleasure and fidelity to its source this entirely new translation of Baudelaire's magnum opus is matchless With admirable disregard for the fashionable cliché according to which poetry is fundamentally untranslatable Eric Gans works from the startling premise that the greatest French poet of the nineteenth century can indeed be rendered in English without significant loss of meaning or effect His daring approach involves sticking as closely as possible to the French original combining the translator's modesty with a remarkable poetic talent in order to showcase not his own ingenuity but Baudelaire's distinctive vision Poetry lovers and students of French literature alike will applaud the result Trevor Merrill Lecturer in French California Institute of Technology **Les Fleurs Du Mal** Charles Baudelaire, 2017-03-22 Au XIX^e siècle un monde nouveau envahit le champ littéraire certains motifs se hissant pour la première fois au rang de sujets dignes d'intérêt La ville la province le peuple ne sont plus cantonnés au registre comique les progrès de la Science aux manuels et aux essais des savants L'individu s'affirme en réaction une révolution économique et sociale qui le dépasse ou l'écrase

Whispering the Strategies of Language: An Emotional Journey through **De Baudelaire Atildenbsp Mallarmatildecopy**

In a digitally-driven world wherever monitors reign great and immediate connection drowns out the subtleties of language, the profound secrets and emotional nuances concealed within words usually go unheard. However, set within the pages of **De Baudelaire Atildenbsp Mallarmatildecopy** a charming fictional prize pulsing with fresh feelings, lies a fantastic journey waiting to be undertaken. Written by a talented wordsmith, that wonderful opus attracts visitors on an introspective trip, lightly unraveling the veiled truths and profound impact resonating within ab muscles fabric of every word. Within the mental depths of the touching evaluation, we shall embark upon a heartfelt exploration of the book is core styles, dissect their fascinating publishing style, and yield to the powerful resonance it evokes deep within the recesses of readers hearts.
