De Quinceys Gothic Masquerade

Graham Jefcoate

De Quincey's Gothic Masquerade:

De Quincey's Gothic Masquerade Patrick Bridgwater, 2004-01-01 De Quincey's Gothic Masquerade is what has long been needed: a study of Thomas De Quincey's Gothic and Gothic-related texts by a Germanist working on Gothic and specializing in Anglo-German literary relations. Various, identified as Gothic Hero, Gothic Parasite, and author of a Gothick sport, De Quincey is the dark horse of Gothicism for while his work has increasingly been associated with Gothic, not one of the recent companions to Gothic so much as mentions his name. Definitions of what is meant by Gothic have changed of course and are still evolving, claiming more territory all the time, but Gothic specialists also have their blind spots, of whom De Quincey is one. One reason for this state of affairs will be the fact that in his work the Gothic is interwoven with the German to which modern English studies all too often turn a blind eye. In this timely study of his work in relation to Gothic convention, the author addresses the question of De Quincey's reputed knowledge of German Gothic Romantic literature and the related question of supposed German influences on his Gothic work and shows that his fiction is not less but more original than has been thought. The texts examined are those on which, for better or worse, his reputation as a writer, both of autobiography and of fiction, depends. Focusing on the Gothic takes one to the heart of his literary masquerade and more especially to the heart of his masked autobiographical enterprise. Gothic, because of its formulaic nature, represents a place where he belongs, a place where his sense of guilt can be seen as part of a wider pattern, thus countering his pariah self-image and enabling him to make some sort of sense of the Gothic ruin of his life. Addressed to all who are interested in De Quincey's work and its place in literary history and to the many readers in the English and German-speaking worlds who share De Quincey's and the author's enthusiasm for Gothic, this book adds considerably to the scope of De Quincey studies, which it enables to move on from some of the main unanswered questions of the past. Thomas de Quincey Robert Morrison, Daniel Sanjiv Roberts, 2008 The ongoing critical fascination with Thomas De Quincey and the burgeoning recognition of the centrality of his writings to the Romantic age and beyond necessitates a critical examination of De Quincey. In this spirit, ten of the top De Quincey scholars in the world have come together in this volume to engage directly with the immense amount of new information to be published on De Quincey in the past two decades. The book features wide-ranging and incisive assessments of De Quincey as essayist, addict, economist, subversive, biographer, autobiographer, aesthete, innovator, hedonist, and much else. **Thomas De Quincey and the Cognitive Unconscious** Markus Iseli, 2015-08-05 This book examines Thomas De Quincey's notion of the unconscious in the light of modern cognitive science and nineteenth-century science. It challenges Freudian theories as the default methodology in order to understand De Quincey's oeuvre and the unconscious in literature more generally. **An Ocean of Literature: John Henry Bohte and the Anglo-German Book Trade in the Early Nineteenth Century** Graham Jefcoate, 2020-01-13 In den Jahren nach den Napoleonischen Kriegen gewann der in Bremen geborene John Henry Bohte 1784-1824 als Buchverleger und Verleger mit einem in London angesiedelten Import-Export-Geschäft und einer Pr

senz in Leipzig schnell an Ansehen Anfang 1813 eröffnete Bohte als noch Zwanzigjähriger seinen Laden in der York Street Covent Garden. Er spezialisierte sich auf den Import deutscher Bücher und deutscher Ausgaben der griechischen und römischen Klassiker, vereinigte sein Einzelhandelsgeschäft aber schnell mit der Deutschen Lesebibliothek. Anfang 1820 wurde er als Ausländischer Buchhändler seiner Majestät dem König mit einem Royal Warrant dem Hoflieferantenstatus ausgezeichnet. Das Portfolio der Produkte und Dienstleistungen von Bohtes Geschäft umfasste nicht nur den Import deutscher Bücher, sondern auch ein ambitioniertes Verlagsprogramm für die Bereiche der deutschen und englischen Literatur, der klassischen Philologie und Naturgeschichte. Bohtes regelmäßige und lange Reisen nach Deutschland zur Leipziger Buchmesse reflektierten seine Ambition, zudem einer der Hauptexporteure englischer Bücher für den Kontinent zu werden. In den Worten eines anonymen Rezensenten wurde Bohte als der temperamentvollste und nützlichste Buchverkaufer betrachtet. Trotz seines frühen Todes im Alter von 40 Jahren in London im Jahr 1824 hinterließ er wichtige Nachlässe sowohl in London als auch in Leipzig. In seiner Biografie von J. H. Bohte: *An Ocean of Literature* nutzt Graham Jefcoate eine umfangreiche Auswahl von Materialien aus Sammlungen in Großbritannien, Deutschland und weiteren Ländern, um die Rolle des Buchhandels im Laufe des deutsch-britischen Austauschs des frühen 19. Jahrhunderts zu veranschaulichen. In the years following the Napoleonic Wars, the Bremen-born John Henry Bohte (1784–1824) quite rapidly acquired a reputation as a bookseller and publisher with an import-export business based in London and also a presence in Leipzig. Bohte opened his shop in York Street, Covent Garden, in early 1813 while still in his twenties. He specialised in importing German books and German editions of the Greek and Roman classics, but soon combined his retail business with a German circulating library, the Deutsche Lesebibliothek. In early 1820 he was awarded a Royal Warrant as Foreign Bookseller to His Majesty the King. The portfolio of products and services offered by Bohte's business included not just the importation of German books, but also an ambitious publishing programme in the fields of German and English literature, classical philology and natural history. Bohte's regular and prolonged trips to Germany to attend the Leipzig Easter Book Fairs reflected his ambition to become a major exporter of English books to the continent too. In the words of one anonymous reviewer, Bohte was considered a most spirited and most useful bookseller. Although he died suddenly in London in 1824, aged only forty, he left an important legacy in both London and Leipzig. In his biography of J. H. Bohte: *An Ocean of Literature*, Graham Jefcoate has used a wide range of materials from collections in Britain, Germany and elsewhere to illuminate the role of the book trade in the process of Anglo-German exchange in the early nineteenth century.

Gothic Nightmares Martin Myrone, Christopher Frayling, Marina Warner, Tate Gallery, 2006-04. *Gothic Nightmares* explores the taste for weird, supernatural and fantastic themes in British art between 1770 and 1830. Presenting the wildly original and extravagant images of Henry Fuseli and his contemporaries in the context of the Gothic, it shows how art, taste and ideas of the self were transformed in an era of revolutionary change, helping lay the foundations of modern culture. **BOOK JACKET** **The Gothic Reader** Martin Myrone, 2006-09. **Sumario** Part 1 The Gothic: a sampling of some key texts and

Saturday Review ,1891 *Catalogue of Books in the Portland Public Library* Portland Public Library (Portland,
 Me.),1890 *Fictions of the Past* Alide Cagidemetro,1993 This work explores the relationship between history and fiction in
 the works of Nathaniel Hawthorne and Herman Melville As Alide Cagidemetro shows both writers were preoccupied with a
 past a preoccupation whose antecedents could be traced to the novels of Walter Scott Yet they departed from established
 tradition in significant ways Unlike their literary predecessors who sought historical authenticity in the representation of past
 events Hawthorne and Melville upheld a new idea of history one based on the relevance of past to present and by extension
 of present to future Cagidemetro grounds her analysis in the cultural context in which Hawthorne and Melville wrote an era
 of unprecedented change when signs of the past were disappearing at an ever quickening pace Focusing on Hawthorne s
 Legends of the Province House and his unfinished romances and on Melville s much neglected Israel Potter she demonstrates
 how both writers consciously experimented in writing the past anew Together their historical fictions reflect the rise of a
 modern historical consciousness as Henry James calls it as well as an effort to give form to the chaotic flux of change over
 time

Decoding **De Quinceys Gothic Masquerade**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
