Deacons Servant Models In The Church:

Deacons Henry Webb, 2001-10-01 After nineteen years in print and over 200 000 copies sold Broadman Holman is publishing an updated edition of *Deacons Servant Models in the Church* Henry Webb deals with every aspect of the roles and offices of deacons in the church including the deacon's marriage wife children family life conduct priorities and other pertinent aspects of deacons as role models of servant leadership in the church **Deacons** Henry Webb, 1980 *Deacons* Matt Smethurst, 2021-03-30 How Can Deacons Mobilize Service in the Church Deacons are essential to a church's health yet confusion abounds regarding their biblical job description What's their God-given role in a local congregation and how do they relate to the church's overall mission In this short book Matt Smethurst makes the case that deacons are model servants called to meet tangible needs organize and mobilize acts of service preserve the unity of the flock and support the ministry of the elders Clearing away common misconceptions Smethurst offers practical guidance for deploying deacons and helping churches to flourish *Women Deacons and Deaconesses* Charles W. Deweese, 2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life Most Baptist individuals and churches have strongly opposed women deacons Some Baptist associations have even disfellowshipped churches that have approved women deacons And women in general have been suppressed by many recent actions of the Southern Baptist Convention thereby affecting women deacons However thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions The book presents arguments on both sides of the topic but lands squarely in support of women deacons

The Seven Lonnie Davis Wesley, III, 2020-11-11 Do you know what it means to be a deacon Is this office in the church still relevant today Dr Lonnie Davis Wesley believes that deacons have an important role to play but that church traditions and failures in leadership and education have often made deacons ineffective or given them tasks to which they are not called and for which they are not equipped He goes back to the first deacons chosen and set apart in Acts 6 for a model for the ministry of deacons in the modern church In doing so he finds that we need to relearn and reapply the lessons of scripture and history so that the church can be fully effective in ministry *The Seven Taking a Closer Look at What It Means to Be a Deacon* is a comprehensive guide to reforming and recharging your church's deacon ministry It includes guides to help you develop an education program to prepare deacons for ministry and to aid your congregation in supporting that ministry This book may be read by individuals but it will find its greatest use as a tool for building a strong deacon ministry in any congregation

Parakaleo Tom Stringfellow, 1998 *The Emerging Role of Deacons* Charles W. Deweese, 1979 A summary of the biblical historical and practical role of deacons in the church **Church and Family** John C. Howell, 1984 *Developing a Strategic Model for Deacons as Servant Leaders Within New Church Plants* Christopher M. Webb, 2018 The office of deacon is vital within the local church and often varies from one congregation to another There are many misconceptions concerning the role and responsibilities of deacons The Bible clearly defines deacons as those who function as servant leaders The

purpose of this project is to address the biblical theoretical practical and personal observations that will assist new church plants in equipping potential candidates for the office of deacon as servant leaders The project will address vital areas of deacon ministry that will include discovering the history of deacon ministry the biblical qualifications for a deacon the relationship of the deacon to the pastor and how a deacon is to serve within the local church The project will address the biblical analysis of leadership The project will examine the earthly life and ministry of Jesus Christ and demonstrate why He is the perfect model of servant leadership The writer will survey new church planters to identify their knowledge and understanding of deacons as servant leaders The data gleaned from the surveys will be utilized to assist pastors in adopting strategic deacon training as an added resource within new church plants In a new church plant the value of training and equipping deacons as servant leaders will lay a foundation that will build and foster effective leadership for years to come
