John N. Collins, 2003-01-01 Explores the pastoral implications of a new scholarly understanding of the role of deacons in the Early Church In many churches today Catholic Anglican and others deacons have come to serve largely as servants of the poor and needy In Deacons and the Church Collins argues that this limited role for deacons was based on misinterpretations of key scriptural passages Following the history of deacons in the Early Church to modern times Collins offers extensive reflections on the relevant Scriptures and suggests that we redefine the role of deacons for today Rather than limit the role of deacons he urges the church to adapt ancient meanings to modern pastoral situations In the words of Ignatius of Antioch whom he quotes in the final chapter Deacons are not providers of bread and drink but are agents of the congregation Collins paints a rich picture of deacons as agents of the church ordained to the service of the bishop who sends them forth as ministers of the church as a whole rather than simply social workers Collins provides an understanding of deacons that embraces social welfare but is not bound by it [A Deacon Prays](#)

Center for Applied Research in the Apostolate, 2018-05-31 To commemorate the fiftieth anniversary of the restoration of the diaconate as a permanent and stable order of ministry in the United States the Center for Applied Research in the

Apostolate CARA at Georgetown University undertook a contemporary study of the diaconate in the United States Building on studies completed in 1981 and 1995 as well as annual research that CARA has conducted for the USCCB since 2005 CARA designed a comprehensive study of deacons their wives diaconate directors and bishops to explore all aspects of this ministry This book explores trends in the diaconate as well as current and emerging opportunities and challenges in the ministry Deacons and their wives diaconate directors and bishops share insights about how those trends impact diaconal ministry today and into the future

**Being a Deacon Today** Rosalind Brown,2005-07 A theological explanation and practical handbook for those preparing for a diaconate in today s church All too often the time spent as a deacon is seen simply as the prelude to priestly ordination Yet the Bible defines three orders of ministry deacon priest and bishop each with its own distinctive characteristics and responsibilities In *Being A Deacon Today* Brown explores the three places where deacons minister the church the world and at the margins the three strands of their ministry in liturgy in pastoral care and as catechists and the three actions of their ministry praying loving and remembering This book excellent for classroom use and for transitional and permanent deacons will restore a fuller understanding of the diaconal ministry and nurture deacons in their work and spiritual life

**Understanding the Diaconate** W. Shawn McKnight,2018-07-13 What is a deacon More than fifty years since the restoration of the permanent diaconate by the Second Vatican Council the office of deacon is still in need of greater specificity about its purpose and place within the mission and organizational structure of the Church While the Church is more than a social reality the Church nonetheless has a social reality Our understanding of the diaconate therefore benefits from a theological discussion of the divine element of the Church and a sociological examination of the human element *Understanding the Diaconate* adds the resources of sociology and anthropology to the theological sources of scripture liturgy patristic era texts theologians and magisterial teachings to conclude that the deacon can be understood as social intermediary and symbol of *communio* who serves the participation of the laity in the life and mission of the Church This research proposes the deacon as a servant of the bond of communion within the Church facilitating the relationship between the bishop priest and his people and between the People of God and the individual in need Thus authentic diaconal ministry includes a vast array of many concrete contexts of pastoral importance where one does more than simply serve at Mass

*Our Life of Service* Deacon Harold Burke-Sivers,2021-12-03 Winner of a 2022 Association of Catholic Publishers Excellence in Publishing Award Resources for Ministry Third Place Whether you are seasoned from years of ministry or are just getting started living out the vows you made at ordination this essential handbook will provide the spiritual and practical support you need as a Catholic deacon in the Church today In *Our Life of Service* international speaker and bestselling author Deacon Harold Burke Sivers will inspire and uplift you as he and his brother deacons including Greg Kandra Larry Oney Dominic Cerrato and Thomas J Fox share their testimonies and insights about how to serve God with determination faith and vision Burke Sivers explains the gift of the diaconate as a living image of Christ the Servant in the world a source of

comfort and hope at a time when both are in short supply Burke Siverson explores the daily realities of life to answer important questions about the diaconate such as What does the Church teach about the purpose of this ministry both within the parish and the world How are the three key responsibilities of teaching sanctifying and leading entrusted to a deacon at ordination practiced in daily life How does his commitment to his wife help a married deacon balance his duties to his family and ministry What are practical strategies and solutions for the challenges deacons face especially when conflicts arise within ministry Burke Siverson also calls for younger more diverse groups of men who reflect on the face of the Church to become permanent deacons in order to bridge the gap between the Church and the world and to reach the unchurched Each chapter contains questions for reflection action steps and prayers to help deacons strengthen their own commitment to their calling Drawing from the writings of St John Paul II and other ecclesial writings about the purpose and gift of the permanent diaconate Burke Siverson educates and inspires us to more fully appreciate this gift and enriches and encourages those who have themselves answered this call Written for deacons in active ministry Our Life of Service is also inspiring reading for Catholics in the pew who are considering a call or who simply want to understand the purpose and gift of the permanent diaconate

**Guiding Deacons to a Greater Understanding of the Spirit of the Liturgy Through a Deeper Understanding of the Nature of Liturgical Action** Kevin Bagley, 2013 Liturgical training for deacons is to be provided during their formation but the manner type and format of the liturgical training has no specific requirements This project aims to provide in the Archdiocese of Baltimore a program of instruction that helps the deacon understand the history of the diaconate the liturgical role of the deacon through time the liturgical action of the rubrics and most importantly a theological understanding of why the actions are performed while understanding the how of the action being expressed This project was offered to two groups deacons currently serving in the Archdiocese and men who are in deacon formation The workshop afforded them the opportunity to enhance their skills review the role of the deacon in liturgy and practice the rubrics used during liturgy Presentations small group sharing discussion and practical demonstration of the rubrics were utilized during the course of the workshop During the workshop the men learned about the role of the deacon in liturgy history of the diaconate and importance of the General Instruction of the Roman Missal found at the beginning of the Roman Missal The men had the opportunity to practice the rubrics while being video recorded The participants review of the video permitted them to observe their attitude and demeanor during their actions It provided an opportunity for the participants to comment and reflect on what they did how they did it and most importantly how their actions appeared to those watching Participants came to a greater understanding of why it is important to have an adequate understanding of why the deacon performs his liturgical actions The project workshop for the deacons was conducted at the bi annual convocation held at the Bolger Center just outside Washington D C The workshop for the men information was conducted during their regular formation sessions Prior to the workshops participants voluntarily completed a self assessment of their knowledge and understanding of the

liturgical role of the deacon in history the General Instruction of the Roman Missal the current liturgical role of the deacon liturgical rubrics and how their performance of their liturgical role expresses their understanding of the liturgy At the conclusion of the workshops the participants were given a post assessment instrument similar to that used before the workshop The assessments were compared to ascertain how well the participants learned and understood the material presented

**The Deacon's Ministry of Charity and Justice** William T. Ditewig, 2015-12-07 The deacon's exercise of charity and justice extends the loving hand of God's constant love and mercy to all who are in need The Vatican's Congregation for Catholic Education has called this work the ministry most characteristic of the deacon In *The Deacon's Ministry of Charity and Justice* Deacon William Ditewig focuses on this ministry as a constitutive element of the nature of the Church itself always flowing from the ministries of Word and Sacrament and leading back to them never apart from them Along with a rich exploration of the scriptural historical and theological foundation of the deacon's practice of charity and justice Deacon Ditewig one of today's foremost experts on the permanent diaconate develops specific and concrete principles for exercising these ministries faithfully authentically and effectively The *Deacon's Ministry* series explores the three fundamental diaconal ministries identified in the teaching of Vatican II those of the liturgy of the word and of charity to the people of God Lumen Gentium 29 This series written by three highly regarded permanent deacons offers a rich combination of theology spirituality and practical and effective guidance Deacons and those in diaconal formation their families the bishops and priests they work with and the people they serve will welcome it

*Deacons and the Church* Owen F. Cummings, 2004 *Deacons and the Church* presents a popular narrative history of the Order of the Diaconate in the Catholic Church from its dawn on the biblical scene in the Acts of the Apostles with Saints Stephen and Philip through the golden age of deacons in the fifth century With the emergence of the cultic priesthood the diaconate as a unique and discrete member of the clergy declined into a transitional role but never disappeared Indeed Dr Cummings points out that the most popular saint after Mary Francis of Assisi was a deacon as were Saints Lawrence and Ephrem all of whom are offered here as models of Deacons for Deacons The Second Vatican Council restored the Order of Deacon to a full and permanent membership in the clergy along with priests and bishops Now thirty thousand deacons serve the Church throughout the world and remain the fastest growing clerical rank within the Latin Church Deacon Cummings reflects on how this surge in the membership of the Order of Deacons will affect the Church in the years to come

**Unexpected Consequences** Susanne Watson Epting, 2015-05 A critical look at the diaconate in the Episcopal Church Times change and the Order of Deacons in the Episcopal Church has not remained static While the book seeks to update contemporary knowledge about deacons it also shows how the diaconate may be well positioned to lead the church into change that cuts across governance formation and ministry While the institutional church struggles with its structure and purpose working to change its reality and perception the book suggests that there are

diaconal leaders who have been working all along for this kind of change The book chronicles ways in which one church order has grown matured adapted adjusted and is as effective as it is because of its dynamic nature It is hoped that other orders might learn from the importance of being adaptable contextual and baptismal while highlighting the primary lens deacons look through as they seek to fulfill what the church has called them to do *A New Friendship* Edward Buel,2011-04-01 What is a deacon What does a deacon do These are two questions pastors parishioners and even deacons themselves often ask In *A New Friendship* Monsignor Edward Buel answers these questions through an engaging conversation with the Scriptures the eucharistic liturgy and church teaching on the diaconate Originally given as a retreat for deacon candidates *A New Friendship* is now available to a larger audience of bishops priests deacons deacons wives and candidates in formation Buel's treatment of all the major themes of the diaconate Ministry of word altar and charity as well as communion sacrifice service and suffering Is inspiring and enriching He highlights the meaning of the diaconate through insightful and moving reflections on the Scriptures and proposes practical lessons for a deacon's ministry at Mass Buel offers sound counsel for the spiritual life of deacons in the voice of an attentive pastor of souls and as one who cares about the diaconate *A New Friendship* is must reading for anyone interested in the diaconate and in diaconal ministry **The Deacon Reader** James Keating,2006
