Dead On Arrival:

Dead on Arrival Roger Royse, 2012-03 Dead on Arrival Avoiding the Legal Mistakes That Could Kill Your Start Up takes you through the legal mistakes that start up companies and their lawyers make on their way to success and how to avoid making those mistakes Some of these missteps can be rectified but many will result in your start up company being Dead on Arrival when it looks for financing or acquisition opportunities Know what those mistakes are and how to avoid falling victim to the blunders that cause companies to fail This book is a must read for every start up entrepreneur and lawyer in the start up space Unedited summary from book cover **Dead on Arrival** Kiki Swinson, 2019-02-26 Kiki Swinson delivers startling twists unforgettable characters and a stark unforgettable portrait of life in the South Now she detonates an explosive tale about a couple who can't get enough and a risk that will exact a merciless price Nobody will get hurt Dawn and Reese Spencer just can't get ahead Between her desperate desire to start a family and his gambling debts they barely keep afloat even with well paying Norfolk International port jobs But their calculating co worker has the perfect plan help him smuggle containers of human cargo past U S Customs Nobody will know For Dawn risking the innocent lives of undocumented immigrants is unthinkable But Reese persuades her that no one will get hurt And once things proceed without a hitch and a fortune starts rolling in the Spencers are sure their dreams are about to come true Nobody will live to tell Until several immigrants turn up dead on arrival Until Reese bets more than he can ever repay Now the Feds and cold blooded loan sharks are closing in as the real brains behind the operation start killing off loose ends Praise for Kiki Swinson A well crafted plot Pitch perfect dialogue juicy sexual trysts cold blooded betrayal and ruthless violence mark this suspenseful fast moving tale that is topped off by a shocking epilogue Library Journal on The Score Starred Review The suspense never stops in this edgy violent thriller Readers will be riveted and ready for more Booklist on The Mark **Dead On Arrival** Matt Richtel, 2017-08-01 MICHAEL CRICHTON meets STEPHEN KING at their finest with the creepiest opening I've ever read Lisa Gardner Joins the ranks of classic paranoid thrillers about human achievement run amok with STEPHEN KING's The Stand and Michael Crichton's Terminal Man Joseph Finder A heart stopping thriller a must read for MICHAEL CRICHTON fans Dallas Morning News Similar in atmosphere and style to MICHAEL CRICHTON and STEPHEN KING A race against the clock thriller Booklist FLIGHT 194 LANDED SOMETHING LETHAL AWAITS OUTSIDE THIS IS DEAD ON ARRIVAL An airplane touches down at a desolate airport in a remote Colorado ski town Shortly after landing Dr Lyle Martin a world class infectious disease specialist is brusquely awakened to shocking news Everyone not on the plane appears to be dead The world has gone dark While they were in the air a lethal new kind of virus surfaced threatening mankind's survival and now Martin one of the most sought after virologists on the planet until his career took a precipitous slide is at the center of the investigation Moving at lightning pace from the snowbound Rockies to the secret campus of Google X where unlimited budgets may be producing wonders beyond our capacity to control Dead on Arrival is a brilliantly imaginative intricately

plotted thriller that draws on Matt Richtel's years of science and technology reporting for the New York Times and establishes him as one of the premier thriller writers working today *Losing to Win* Jeremy Gelman, 2020-07-20 Most everyone voters political scientists even lawmakers think Congress is dysfunctional Instead of solving problems Democrats and Republicans spend their time playing politics These days Capitol Hill seems more a place to bicker not to pass laws The reality is more complicated Yes sometimes Congress is broken But sometimes it is productive What explains this variation Why do Democrats and Republicans choose to legislate or score political points And why do some issues become so politicized they devolve into partisan warfare while others remain safe for compromise *Losing to Win* answers these questions through a novel theory of agenda setting Unlike other research that studies bills that become law Jeremy Gelman begins from the opposite perspective He studies why majority parties knowingly take up dead on arrival DOA bills the ideas everyone knows are going to lose In doing so he argues that congressional parties' decisions to play politics instead of compromising and the topics on which they choose to bicker are strategic and predictable Gelman finds that legislative dysfunction arises from a mutually beneficial relationship between a majority party in Congress which is trying to win unified government and its allied interest groups which are trying to enact their policies He also challenges the conventional wisdom that DOA legislation is political theater By tracking bills over time Gelman shows that some former dead on arrival ideas eventually become law In this way ideas viewed as too extreme or partisan today can produce long lasting future policy changes Through his analysis Gelman provides an original explanation for why both parties pursue the partisan bickering that voters find so frustrating He moves beyond conventional arguments that our discordant politics are merely the result of political polarization Instead he closely examines the specific circumstances that give rise to legislative dysfunction The result is a fresh straightforward perspective on the question we have all asked at some point Why can't Democrats and Republicans stop fighting and just get something done **Dead on Arrival** Katie Gray, 2013-12-18 An enjoyable cosy crime novel This is the first book in The Dead Series Pipsy and Jack Standage are private investigators who visit a luxurious Cotswold hotel for a restful break Alas it proves to be anything but restful Within a couple of days a car with a dead man in the driving seat arrives at the hotel's front door Despite some initial reluctance on Jack's part the pair become embroiled in a series of occurrences which include finding a suitcase full of money in the boot of the dead man's car and a bag of diamonds lying in the bushes The investigating police inspector is perhaps not all he seems and a number of the other guests look suspicious There is an attempt on their lives and some very nasty people kidnap them more than once Somehow or other they always manage to extricate themselves but can they find the criminal brain behind it all *The Life and Times of Walter Reuther* James TenEyck, 2016-06-03 The Life and Times of Walter Reuther An Unfinished Liberal Legacy recounts the events and social movements that have shaped modern America and examines Reuther's involvement in them For over thirty years Walter Reuther and his United Automobile Workers union were in the vanguard of voices advancing liberal economic and

social policies that raised the standard of living for many Americans extended the protection of the law and provided a measure of security for the aged infirm disabled and unemployed In the narrative Reuther serves as the lens through which a period of labor advances civil rights struggle and hot and cold wars are viewed from a liberal perspective The book follows Walter and Victor Reuther on their European adventure to their ancestral homeland during the rise of Hitler and into the Gorky autoworks factory in Soviet Russia The pair returned home to the labor battles in Flint and Dearborn that established a UAW presence in the factories and brought Walter Reuther to the bargaining table to negotiate the agreements that served as the treaty between labor and management for over two decades Reuther s story includes assassination attempts confrontations with Senator Goldwater and Nikita Khrushchev and a presence on the world stage and on the steps of the Lincoln Memorial when Martin Luther King recounted his dream In the later chapters the book looks beyond the life of the man and the events of his time and seeks to advance a liberal legacy that recently has been relentlessly attacked and too timidly defended
