Dead Aheadthe Exxon Valdez Di:

From Chariots of Fire to The King's Speech Alan Rosenthal,2014-02-18 Over the past decade movie audiences have become hungry for films based on real people and historical events Never was this more evident than during the best picture showdown between The King s Speech and The Social Network during the 2011 Academy Awards a scene then repeated with Argo Lincoln and Zero Dark Thirty in the 2013 awards While Hollywood moguls have come to recognize the box office revenue and critical acclaim that accompany such films and are now fast tracking many docudramas into theaters there remains a need for more reality based film scripts In From Chariots of Fire to The King s Speech writer director and producer Alan Rosenthal presents a manual for screenwriters to develop their bio pic or docudrama from concept to completion This comprehensive guide begins with an overview of the genre before providing screenwriters with all the techniques and insights needed to navigate the often intimidating landscape of screenwriting for reality based scripts Included within the volume are tips for such challenges as inception and research developing dialogue and narration and capably addressing any legal and rights issues that may arise Also included are appendixes containing useful marketing tips and broadcast guidelines A practical down to earth manual for experienced and novice screenwriters alike From Chariots of Fire to The King s Speech is the only manual dedicated explicitly to writing the bio pic and docudrama Rosenthal shares his decades of experience in the film industry along with hands on tools and maps to help screenwriters completely master this popular film genre

Hollywood or History? Paul J. Yoder,Aaron P. Johnson,2022-05-01 Traumagenic events episodes that have caused or are likely to cause trauma color the experiences of K 12 students and the social studies curriculum they encounter in U S schools At the same time that the global COVID 19 pandemic has heightened educators awareness of collective trauma the racial reckoning of 2020 has drawn important attention to historical and transgenerational trauma At a time when social studies educators can simply no longer ignore difficult knowledge instruction that acknowledges trauma in social studies classrooms is essential Through employing relational pedagogies and foregrounding voices that are too often silenced the lessons in Hollywood or History An Inquiry Based Strategy for Using Film to Acknowledge Trauma in Social Studies engage students in examining the role of traumatic or traumagenic events in social studies curriculum The 20 Hollywood or History lessons are organized by themes such as political trauma and war and genocide Each lesson presents film clips instructional strategies and primary and secondary sources targeted to the identified K 12 grade levels As a collection they provide ready to teach resources that are perfect for teachers who are committed to acknowledging trauma in their social studies instruction

Positive Organizational Scholarship Kim Cameron,Jane Dutton,2003-08-09 Scholarship establishes a new field of study in the organizational sciences Just as positive psychology focuses on exploring optimal individual psychological states rather than pathological ones Positive Organizational Scholarship focuses attention on optimal organizational states the dynamics in organizations that lead to the development of human strength foster resiliency in

employees make healing restoration and reconciliation possible and cultivate extraordinary individual and organizational performance While the concept of positive organizational scholarship encompasses the examination of typical and even dysfunctional patterns of behavior it emphasizes positive deviance from expected patterns Positive Organizational Scholarship examines the enablers motivations and effects associated with remarkably positive phenomena how they are facilitated why they work how they can be identified and how researchers and managers can capitalize on them The contributors do not adopt one particular theory or framework but draw from the full spectrum of organizational theories to understand explain and predict the occurrence causes and consequences of positivity Positive Organizational Scholarship rigorously seeks to understand what represents the best of the human condition based on scholarly research and theory This book invites organizational scholars to build upon and extend the positive organizational phenomena being examined It provides the definitional theoretical and empirical foundations for what will become a cumulative body of enduring work
