Dead Man Below Deck:

That Deadman Dance Kim Scott, 2012-01-01 Throughout Bobby Wabalanginy's young life the ships have been arriving bringing European settlers to the south coast of Western Australia where Bobby's people the Noongar people have always lived Bobby smart resourceful and eager to please has befriended the settlers joining them as they hunt whales till the land and work to establish their new colony He is welcomed into a prosperous white family and eventually finds himself falling in love with the daughter Christine But slowly by design and by hazard things begin to change Not everyone is so pleased with the progress of the white colonists Livestock mysteriously starts to disappear crops are destroyed there are accidents and injuries on both sides As the Europeans impose ever stricter rules and regulations in order to keep the peace Bobby's Elders decide they must respond in kind and Bobby is forced to take sides inexorably drawn into a series of events that will for ever change the future of his country That Deadman Dance is haunted by tragedy as most stories of first contact between European and native peoples are But through Bobby's life this novel exuberantly explores a moment in time when things might have been different when black and white lived together in amazement rather than fear of the other and when the world suddenly seemed twice as large and twice as promising

Death Below Deck Douglas Kiker, 1992-03 The Dead Man's Mind Thea Torgersen, 2013-04-09 It was Friday the thirteenth not destined to be a good day in the eyes of many overly superstitious fishermen on the dock It was a gloomy day The sky was scattered with dark clouds and a misty fog hung over the ocean Doom and gloom again said Captain John Carl Thomason unenthusiastically as he watched his crew unload the catch onto the dock The price is in the toilet again What happened to the way things used to be around here Probably gone along with his mind muttered a short balding man who looked worthless in every respect Shut your trap Remi snapped John Carl Yes Cap said Remi He sounded like he had memorized the responses he gave to his captain's commands John Carl Thomason looked as though he would be very good looking if it were not for the fact that he always looked as though he was having the worst day of his life Is that a banana you're eating Remi asked John Carl casually Yes Cap said Remi automatically Well guess what mate said John Carl his voice colder now What asked Remi not catching his captain's cold tone Bananas are bad luck that's what yelled John Carl He grabbed the banana out of Remi's hand and shoved it in his face DO YOU REALIZE WHAT TODAY IS he yelled pronouncing each word with deadly emphasis No sir spluttered Remi who looked quite the idiot with banana all over his face ITS FRIDAY THE THIRTEENTH YOU WORTHLESS IDIOT roared John Carl We have enough bad luck without you making things worse with your stinking slimy banana The Captain threw the banana peel on the dock and stormed away swearing loudly Remi stumbled towards the truck carrying a large box He stepped on the banana peel and fell flat on his face Hey Remi called a young man named Sono how long does it take from when you step on the peel to when you hit the dock One banana second There was a roar of laughter from the other crewmembers on the dock Nice one Sono said another young man called Browen Sono and Browen were brothers ages nineteen and eighteen They looked very much alike

and had very similar personalities They seemed to be able to read each others thoughts and were therefore exceptional liars They could always talk their way out of anything even with their captain who was not easily fooled Remi was not a challenge for them They had taken the job working on the boats because neither of them was very academically inclined They were however very good at making jokes pulling pranks and having as much fun as possible while on the job They stopped at nothing to insult anyone who displayed a lack of intelligence or physical prowess Remi Nelson was a short chubby balding man who had never really been able to make anything of his life or at least it never seemed like he had He was thirty five but looked forty five at best Sono and Browen thought he was at least fifty Everyone always made fun of Remi but he still seemed to feel important and useful This only seemed to make things worse for him although he never seemed to understand that Just imagine being stupid enough to eat a banana in front of Cap on Friday the thirteenth said Sono loudly Imagine being stupid enough to slip on the peel and fall flat on your face said Browen Imagine doing this job till youre fifty said Sono Im thirty five snapped Remi who had stood up and was wiping banana off his face Really said Sono mockingly I had no idea guys went bald and got beer bellies that soon You might want to tell Cap to get a move on he must be at least thirty or thirty five I dont see him looking like that Looks arent everything you know muttered Remi Clearly or you wouldnt even be alive sneered Sono Get to work snapped John Carl coming up behind them Yes Cap said Remi immediately Sorry sir said Browen emphasizing the last
