Dead Man Upright:

Dead Man Upright Derek Raymond, 2012-04-03 Never before available in the U S the final episode in the Factory Series is another unrelenting investigation with the nameless detective into the black soul of Thatcher's England The fifth and final book in the author's acclaimed Factory Series was published just after Derek Raymond's death and so didn't get the kind of adulatory attention the previous four titles in the series got The book has been unavailable for so long that many of Derek Raymond's rabid fans aren't even aware there is a fifth book But *Dead Man Upright* may be the most psychologically probing book in the series Unlike the others it's not so much an investigation into the identity of a killer but a chase to catch him before he kills again Meanwhile the series hero the nameless Sargent from the Unexplained Deaths department is facing more obstacles in the department due to severe budget cutbacks than he's ever faced before However this time the Sargent knows the identity of the next victim of the serial killer in question But even the Sargent's brutally blunt way of speaking can't convince the besotted victim and he's got to convince a colleague to go against orders and join him in the attempt to catch the killer before it's too late

Lestrade and the Dead Man's Hand M. J. Trow, 2021-03-06 Book six in the Inspector Lestrade series The London Underground Railway in 1895 was described as dark deadly and halfway to Hell Only too true for as the last train rattled into Liverpool Street the one remaining passenger did not get off How could she when her eyes stared sightless and her heart had stopped There was another corpse at the Elephant in the morning wedged between the seats like an old suitcase And another had missed the late night connection at Stockwell What was left of her lay on the floor of the padded cell her shoes kicked off in the lashings of her agony as she died There is a maniac at large and Inspector Lestrade is detailed to work with the Railway Police something he needs a little less than vivisection Heedless of warnings to mind the gap and mind the doors the doughty detective plunges through a tangled web of vicious deviants to solve a string of murders so heinous that every woman in London goes in fear of her life Who is the legendary Blackfriars Dan What are the secrets of the Seven Sisters Whose body lies at Ealing Will the London Transport System survive or will Lestrade run out of steam
