Deadly Deceptions:

Deadly Deception Robert E. Willner, 1994 **Deadly Intentions** Linda Lael Miller, 2015-05-01 Deadly Gamble Losing her memory in a mysterious tragedy years before left Mojo Sheepshanks not knowing who she is or how to get on with her life Now the wisecracking Mojo who hangs out at Bad Ass Bert's Biker Saloon in Cave Creek Arizona suddenly begins seeing ghosts and discovering clues to her real identity Meanwhile sexy cop Tucker Darroch has her heart racing and her passions revved up to maximum overdrive but is it safe to let go and love the man really love him Everything becomes even more complicated when a wealthy man claiming to be Mojo's long lost uncle turns up Not only that she's being stalked by her ex-con half brother As she and Tucker work to uncover the facts she'll need all her savvy and strange new talent to keep someone from burying her and the truth Deadly Deception Mojo is trying to enjoy her lovely new home courtesy of her wealthy sister Greer but she'd rather be back in her apartment over Bad Ass Bert's Biker Saloon in Cave Creek Arizona Life was a lot simpler then Now her sexy cop boyfriend can't seem to let go of his past while her sister's being blackmailed for secrets in hers And Mojo's stuck in the middle again Then there's the ghost who comes to her for help and the threats being made against the still living As the murders pile up Mojo's starting to discover secrets that even the dead don't want disturbed The combination of edgy suspense humour and the supernatural not to mention Miller's gift for characterization make this one story you won't soon forget RT Book Reviews **Deadly Deceptions** Linda Lael Miller, 2014 Her sexy cop boyfriend can't let go of his past while her wealthy sister is being blackmailed for secrets in hers And Mojo's smack in the middle of it all **Mystery Women, Volume Three (Revised)** Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through
