Deadly Derringer:

The Deadly Derringer J. R. Roberts, 2016-05-11 It looks like the last shoot out for Clint Adams when he is outdrawn by a silver tongued mean hearted four flusher Staring down the barrel of a two shot derringer Clint doesn't even have time to raise his own gun before Ian Palmer's bullet damn near kills him Nursed back to health by a pretty young widow Clint vows revenge Trouble is the memory of Palmer's face has been knocked clear out of his head But that's not enough to stop the Gunsmith from tracking his man down in a desperado hellhole for one last bout with the deadly derringer Ozark Vengeance Trail Doyle Frederick Riggs, 2010-12 They raped and murdered his mother and sister Then they viciously killed his father and seriously wounded his Uncle Milo Finally believing all to be dead the killers burned down the cabin with the bodies inside but they had missed one Young Jonathan Doyle returning from a hunting trip with some Indian friends finds his home burned to the ground the charred bodies of his family in the ashes The heinous murders would have gone unsolved except for one thing his Uncle Milo though seriously wounded had escaped the inferno and survived to tell the tale Jonathan Doyle swears revenge citing an eye for an eye as his ultimate goal Thus begins a trail of vengeance as a distraught young man begins the search that will last for years destined be one of the most dangerous ever attempted in the bloody history of western lore filled with danger and heartbreak for a nineteen year old boy intent on delivering his brand of Ozark Mountain Justice on the killers A quest known simply as the Ozark Vengeance Trail *The Radiobuster* Volney G. Mathison, 1924

Arnold, 2014-02 When I was a youngster growing up in Texas my dad worked in a number of fields From the Oil Patch of West Texas to farming in the Panhandle or in security in central Texas the family usually enjoyed evening meals together After supper Dad enjoyed drinking a cup of coffee and telling us stories ranging from his experiences in the army during World War II where he was wounded during a German artillery barrage or his dreams for our futures or sometimes stories from his childhood On one such occasion he told of two young men who were separated during the Civil War One was raised by a family in the North and the other was raised by a family in the South Years later when both boys were grown and had families of their own they were reunited I have taken this event to construct the story of Josh and Jim two young boys who were separated by the Civil War The names characters locations and events are entirely fictitious and are presented for the readers enjoyment I hope that you enjoy this story as much as I have enjoyed writing it The History of Grant County, State of Kentucky, 1876
