Deadly Illusions Jean Harlow And The Murder Of Paul Bern:

Deadly Illusions Samuel Marx, Joyce Vanderveen, 1990 Presents compelling evidence that Bern was murdered and why

Deadly Illusions Samuel Marx, Joyce Vanderveen, 1991-01 When Paul Bern's body was found on the morning of September 5th 1932 in Benedict Canyon Southern California a frantic cover up had been so artfully structured that it was all in place before the police were allowed to arrive seven hours later according to this book Paul Bern had been married to MGM star Jean Harlow for only two months and three days The cover up was masterminded by dynamic MGM studio head Louis B Mayer who persuaded his reluctant production chief Irving Thalberg of the importance of protecting their blonde bombshell *She Damn Near Ran the Studio* Jacqueline R. Braitman, 2020-10-19 Best known as the woman who ran MGM Ida R Koverman 1876 1954 served as talent scout mentor executive secretary and confidant to American movie mogul Louis B Mayer for twenty five years *She Damn Near Ran the Studio* The Extraordinary Lives of Ida R Koverman is the first full account of Koverman's life and the true story of how she became a formidable politico and a creative powerhouse during Hollywood's Golden Era For nearly a century Koverman's legacy has largely rested on a mythical narrative while her more fascinating true life story has remained an enduring mystery until now This story begins with Koverman's early years in Ohio and the sensational national scandal that forced her escape to New York where she created a new identity and became a leader among a community of women Her second incarnation came in California where she established herself as a hardcore political operative challenging the state's progressive impulse During the Roaring Twenties she was a key architect of the Southland's conservative female centric partisan network that refashioned the course of state and national politics and put Herbert Hoover in the White House As the political boss of Los Angeles County she was the premiere matchmaker in the courtship between Hollywood and national partisan politics which as Mayer's executive secretary was epitomized by her third incarnation as one of the most formidable women in Hollywood whose unparalleled power emanated from her unique perch inside the executive suite of Metro Goldwyn Mayer Free to adapt her managerial skills and political know how on behalf of the studio she quickly drew upon her artistic sensibilities as a talent scout expanding MGM's catalog of stars and her own influence on American popular culture Recognized as one of the invisible power centers in both MGM and the city of Los Angeles she nurtured the city's burgeoning performing arts by fostering music and musicians and the public financing of them As the lioness of MGM royalty Ida Koverman was not just a naturalized citizen of the Hollywood kingdom at times during her long reign she damn near ran the studio Louis B. Mayer and Irving Thalberg Kenneth Turan, 2025-02-04 Kenneth Turan brings to life the extraordinary partnership of Louis B Mayer and Irving Thalberg and their role in creating the film industry as we know it One was a tough junkman's son the other a cosseted mama's boy but they dreamed the same mighty dream that the right movies could make a profit and change both the culture and individual lives Sharing a religion and an evangelical zeal for film Louis B Mayer 1884 1957 and Irving Thalberg 1899 1936 were unlikely partners in one of the

most significant collaborations in movie history Over the course of their decade long relationship as key players at Metro Goldwyn Mayer and major players in Hollywood they joined forces in redefining and mastering the template for the film industry Mayer older by more than a dozen years was the business minded face of the studio while Thalberg worked closely with the creative corps especially writers together they rarely set a foot wrong And while Mayer initially viewed Thalberg as the son he never had the two would go from passionate friends to near enemies before Thalberg s shocking death at the age of thirty seven In the first joint biography of the two men in fifty years film critic Kenneth Turan traces their fraught relationship while examining the complicated history of Jewish identity in Hollywood The Sound of Silence Michael G. Ankerich,2011-12-14 Marion Shilling began her career as a silent film ingenue for MGM and went on to play heroines in Westerns of the 1930s Stage actress Esther Muir made the transition from Broadway to Hollywood just as talkies became popular Hugh Allan was a leading man in the last years of the silents only to leave the film business in 1930 because of the uncertainty surrounding his transition to sound films and his disgust with studio politics These three performers and thirteen others Barbara Barondess Thomas Beck Mary Brian Pauline Curley Billie Dove Edith Fellows Rose Hobart William Janney Marcia Mae Jones Barbara Kent Anita Page Lupita Tovar and Barbara Weeks reminisce here about Hollywood and the movie business as it made the transition **Henry Hathaway** Harold N. Pomainville,2016-06-10 For the casual film fan Henry Hathaway is not a household name But in a career that spanned five decades Hathaway directed an impressive number of films and guided many actors and actresses to some their most acclaimed performances He also helped launch the Hollywood careers of numerous actors such as Randolph Scott Lee Marvin Karl Malden and Charles Bronson His work on Niagara established Marilyn Monroe as a major star Hathaway also guided John Wayne to his Academy Award winning performance in the original version of True Grit In Henry Hathaway The Lives of a Hollywood Director Harold N Pomainville looks at the life and work of this Hollywood maverick The author charts Hathaway s career from his first low budget Western in the early 1930s through his last film in 1974 In between he focuses his attention of the films that brought the director acclaim including The Lives of Bengal Lancer 1935 for which Hathaway received an Oscar nomination noir thrillers The House on 92nd Street and Kiss of Death and his documentary like production of Call Northside 777 with Jimmy Stewart In this book the author captures Hathaway s extroverted personality and keen intellect He befriended some of the best known celebrities of his generationand was known for his loyalty generosity and integrity He was also notorious in Hollywood for his powerful ego explosive temper and his dictatorial style on the set Henry Hathaway The Lives of a Hollywood Director is a must read for anyone interested in the enduring work of this unheralded but no less noteworthy master of American cinema The Hollywood Book of Scandals James Robert Parish,2004-06-14 More than 100 celebrity photographs offer readers an up close look at the leading players in some of the biggest scandals to ever rock Tinseltown **Jim Kobak's Kirkus Reviews** ,1990 **Mystery and Mayhem** Michelle Ghaffari,1995 A graphically illustrated compilation of the most shocking lurid and

photography computers and the cinema itself In doing so he reveals that even the Andy Hardy movies a routine product of the Hollywood Studio System were after all rich and mysterious Hollywood Cauldron Gregory W.
