Wolfsthal, Miriam Rajkumar, 2005 Deadly Arsenals provides the most up to date and comprehensive assessment available on global proliferation dangers with a critical assessment of international enforcement efforts An invaluable resource for academics policymakers students and the media this atlas includes strategic and historical analysis maps charts and graphs of the spread of nuclear chemical and biological weapons and missile delivery systems descriptions of the weapons and regimes and policies to control them and data on countries that have want or have given up weapons of mass destruction A Choice outstanding academic title from one of the premier nonproliferation research teams The new edition addresses the recent dramatic developments in Iran Iraq Libya North Korea and the nuclear black market analyzing strategic and policy implications Contents Part 1 Assessments and Weapons Part 2 Declared Nuclear Weapon States Part 3 Non NPT Nuclear Weapon States Part 4 The Two Hard Cases North Korea and Iran Part 5 Proliferation Success Understanding the Volatile and Dangerous Middle East Steven Carol, 2019-09-26

The Middle East can be bewildering which is why we need to connect the dots that pull together the political economic diplomatic military cultural and religious pieces of the puzzle Professor Steven Carol slashes through the confusion with a topical approach focusing on key issues such as the geographic features of the Middle East demographics of the region the influence of Islam political processes shifting alliances war in the region and the need for security He also takes a careful look at perpetual negotiations attempts to secure peace and the role that the media play in how we view the region His goal to clarify the confusing nature of Middle East affairs and to combat the mistaken beliefs misrepresentations and outright fabrications about the region In a bid to reclaim the truth he shares basic principles relying on factual supporting evidence to prove their validity Seventy eight maps and numerous tables make understanding complex topics easier Whether you re a student educator bureaucrat or politician you ll find insights based on facts in Understanding the Volatile and Dangerous Middle East **State**

**Participation in International Treaty Regimes** Srini Sitaraman, 2016-04-01 Why do some states resist entering into international treaty regimes while others demonstrate eagerness to participate Although factors such as degree of pressure exerted by international actors ambiguity in the treaty language and a regime s lack of teeth enforcement and sanctioning mechanism do affect participation this book investigates whether internal domestic factors may ultimately be responsible for

influencing why a state resists or joins international treaty regimes The volume draws on United Nations treaty ratification data from three different issue areas arms control environment and human rights to study the participation patterns of democracies and non democracies in international treaty regimes Incorporating two in depth case studies on the United States and China the author traces the impact of domestic institutional structure state capacity and internal social norms on state decisions to resist or participate      Nuclear Proliferation in South Asia Sumit Ganguly,S. Paul Kapur,2008-08-06 This edited volume explores competing perspectives on the impact of nuclear weapons proliferation on the South Asian security environment The spread of nuclear weapons is one of the worlds foremost security concerns The effect of nuclear weapons on the behaviour of newly nuclear states and the potential for future international crises are of pa      **Social Issues in America** James Ciment,2015-03-04 More than 150 key social issues confronting the United States today are covered in this eight volume set from abortion and adoption to capital punishment and corporate crime from obesity and organized crime to sweatshops and xenophobia      **Weapons of Mass Destruction and Terrorism** Alan O'Day,2004 The twenty nine articles explore the issue of WMD and key questions raised about terrorism its definition objects motivation whether there is a different species of it emerging in the aftermath of the close of the Cold War preparedness and the means of prevention The conventional low technology terrorism of the past has exercised a social and political impact far out of proportion with the casualties it has caused The massive indiscriminate destruction caused by an act of WMD terrorism similarly would have disproportionate social political economic and strategic effects      *Balance Sheet* John Duffield,Peter Dombrowski,2009-07-06 Balance Sheet examines both how the Iraq war advanced or impeded the pursuit of other important goals of US national security policy and the war s impact on the ability of the United States to pursue its security interests now and in the future      *National Journal* ,2003      *Arming Conflict* Mike Bourne,2007-07-12 This book uncovers and analyzes the structures and dynamics of the proliferation of small arms and light weapons that fuel conflicts      *The SAIS Review of International Affairs* ,2005      *Fighting Proliferation - European Perspectives* Mark Smith,2003      **SAIS Review** ,2005      **Terrorism** Robert A.
