Deadly Harvest:

Deadly Harvest John Merriam Kingsbury, 1965 Written for the intelligent layman and the beginning botanist **Deadly Harvest** Marissa Shrock, 2023-11-04 All Georgia Rae Winston wants is to fall in love Life of course has other plans Georgia s biggest challenge in the farming town of Wildcat Springs Indiana is figuring out how to win Evan Beckworth s heart Until the day she discovers the body of a former student in the woods She assumes it was an accident When she starts to suspect it wasn t it stirs memories of her father s murder nine years earlier A murder never solved Georgia refuses to let that happen this time Not necessarily the wisest decision As Georgia works with the sheriff s department s newest detective Cal Perkins she finds her heart slipping into his hands But her head is pummeled with conflicting evidence and anonymous threats of severe consequences if she digs any deeper In the end Georgia faces a paralyzing choice Ignore the dark secrets inside the family and friends who surround her or be willing to risk her own life to uncover the truth Georgia Rae Winston *Mysteries Deadly Harvest Deadly Holiday Deadly Heritage Deadly Harmony Deadly Hideaway Deadly Heartbreak* Deadly Harvest Heather Graham, 2013-10-15 A dark legend comes to life When a young woman is found dead in a field dressed up as a scarecrow with a slashed grin and a broken neck the residents of Salem Massachusetts begin to fear that the infamous Harvest Man is more than just a rumor But out of town cop Jeremy Flynn doesn t have time for ghost stories He s in town on another investigation looking for a friend s wife who mysteriously vanished in a cemetery Complicating his efforts is local occult expert Rowenna Cavanaugh who launches her own investigation convinced that a horror from the past has crept into the present and is seducing women to their deaths Jeremy uses logic and solid police work Rowenna depends on intuition But they both have the same goal to stop the abductions and locate the missing women before Rowenna herself falls prey to the Harvest Man s dark seduction *Deadly Harvest* Morgan Fields, 1989-08-01 Convinced that her recurring nightmares of an ancient evil force lurking in the woods outside her quiet Texas town are prophetic nine year old Jodie McCullough s fears are confirmed when the townsfolk of Hobar fall under an inhuman siege **Deadly Harvest** , 2017-06 The author uses a bug as the book s narrator in a factual overview of mankind s effect on the planet and it s climate Illustrations on every page visually connect all the pieces of the story and drive the momentum from the first insect to Man and ultimately to the end **Deadly Harvest** Leonard S. Goldberg, 1998 *Mystery Women, Volume Three (Revised)* Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices

there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008
