Adweek ,2008-07 *The New Media Book* Dan Harries,2002 What will prove to be the lasting impact of New Media on film and television What kinds of transformations of moving image media are really already under way The term new media has become an effective catch word both as a description of the digital delivery of media via the Internet DVD and digital television and as a reference to the newness such technologies have brought to media more generally And yet the nature of this transformation has been over hyped and too little understood The New Media Book provides an accessible critical intervention into the field of moving image studies and features 20 newly commissioned and thought provoking essays in a format designed to be of wide use to a range of courses in digital media film and television studies The book is divided into five thematic sections Technologies Production Texts Consumption and Contexts and addresses how new media is both embracing and altering the existing media landscape Topics discussed include the ways in which we interact with digital

television the changing methods of production distribution and exhibition within the media industry and how the histories of traditional media have influenced the development of new media The New Media Book examines the corresponding influences that traditional media and new media are having upon each other as well as revisiting central continuing issues surrounding the moving image and the contexts in which all the media operate The collected essays present and redefine these crucially important topics providing the most systematic analysis of both change and continuity in the contemporary media landscape yet published in the field of screen studies *Marketing* ,2006 **Sh'ma** ,2004 *New Social Connections* Judith Burnett,Syd Jeffers,Graham Thomas,2010-04-09 New Social Connections offers a fresh approach to new explorations of the reconfigurations of sociological thought and questions the subjects and objects of sociological enquiry The collection provides a mix of literature review original theory and makes use of reflexive and innovative autobiographical material Issues examined include the role of history in sociology postcolonialism public sociology the future of sociological theory the turn to nature and sociological careers Book Jacket Admap ,2007
