Towards an Elite Theory of Economic Development Tomas Casas-Klett,2025-11-17 This profoundly ambitious theoretical work centers on value understood as everything humans deem worth appropriating Every society is hierarchical and the top echelons are dominated by elites the quality of which in the business politics and knowledge arenas determines economic and human development All elites run elite business models that both create and extract value originate or transfer risk and use their power and agency to shape institutions This book argues that when inclusive value creation outweighs extractive value transfers the outcomes for society at large are positive Sustainable value creation happens when intra elite contests result in more innovation than rent seeking more free trade than protectionism and more competition than monopolies Leveraging diverse ideas from economics value sociology power political economy the distribution of value and management the value creation and appropriation framework the book advances a sweeping inter disciplinary framework that positions the meso level elite system at its core This extends the institutional perspective and acts as the transmission mechanism between the micro level firm and the macro level political economy A wealth of elite business model cases are considered throughout its pages ranging from Neolithic grain to AI and from Caesar to Trump to further an elite theory of economic development that transcends traditional Left Right debates is rooted in its own speculative philosophy and yet is highly practical with proposals for structural reform cost of equity calculations and an approach to sustainability based on weighting and offsetting

extractive transfers This economic treatise supplies the conceptual tools for a realistic account of how the world works today and in its discussion of elite judgment offers an ethical framework to guide elite transformational leadership It will be essential reading for researchers policymakers and business leaders around the world looking for fresh ideas on how to navigate and reappraise how we address current realities **Resources in Education** ,1994 **IETE Technical Review** ,1998 Directory of Published Proceedings ,1999 **Driving Engagement with Captivating UGC Content** Franklin E Larrison,2023-04 Driving Engagement with Captivating UGC Content Are you looking to drive engagement with captivating user generated content UGC If so Driving Engagement with Captivating UGC Content has the answers you need This book is packed with strategies and tactics to build curate and optimize UGC It shares the latest best practices and creative ideas to help you make the most of your UGC content You ll learn how to create a UGC content strategy establish UGC guidelines and measure the success of your UGC efforts Additionally you ll discover the right platforms and tools to help you get started This book also covers a variety of topics including how to encourage and reward UGC contributors how to create engaging content and how to use UGC in marketing campaigns Plus it gives you the insight and inspiration to make UGC a key part of your overall marketing strategy
