Practical Home Office Setup Tips For Dads:

Mom Minus Dad: The Essential Resource Guide for Busy Adults with a Newly Widowed Parent Jamieson Haverkamp, 2008-05-09 Mom Minus Dad is the only resource guide available with more than 500 resources for adults who lose a parent and need to assist a newly widowed parent. The book provides readers with practical advice on ten major parent loss topics along with more than 500 valuable and time saving resources including Web sites, companies, government resources, U.S. laws, books, and nonprofit organizations to assist the approximately twelve million sons and daughters who lose a parent every year. Each section provides online and book resources and simple practical solutions to common problems from finding affordable counseling to building new budgets for the widowed parent to managing changing family dynamics. Each chapter reveals ideas, relevant insights from the author's personal experience, questions to consider, and additional resources to find specific assistance. The author of Mom Minus Dad gleaned intimate knowledge of balancing her own life with a newly widowed parent. Ms. Haverkamp assisted her fifty-six year old widowed mother in Virginia while still running her real estate business in California after the early unpredicted loss of her father to cancer. In her groundbreaking book, Haverkamp shares how she and her sister both in their early thirties found success and managed struggles during their journey after their father's death. This is a reference guide grievers will refer to during the year after loss and years beyond.

This Side Up: The Road to a Renovated Life Amy Mangan, 2018-08-02 This Side Up: The Road to a Renovated Life is a home and garden editor's story of a life constantly under construction, none by design. Written with candor, humor, and grace, Amy Mangan shares her own home tour, but this one deftly sheds light on job loss, financial shame, home displacement, marital discord, illness, and caregiving. Faced with one crisis after the next, Amy discovers how to cope, hope, and rebuild, finding a new way home to a stronger way of life.

My City, My New York Jeryl Brunner, 2011-10-04 What do famous people love to do during their free time in the Big Apple? Like all New Yorkers, even the well known among them, have cherished rituals that connect them to their city in a unique way: favorite restaurants, delis, museums, parks, galleries, landmarks, haunts, and hideaways. For one resident, it may be watching tango dancers on Saturday nights in Central Park; for another, it's riding a bike over the Brooklyn Bridge to get a slice of Grimaldi's pepperoni pizza and a view of the Manhattan skyline from across the East River. Perhaps it entails choosing from the many varieties of bread at Rock Hill Bake House in the Union Square Greenmarket, or simply walking across 46th Street and ending up at the great Broadway hangout, Angus McDoue. In a refreshing step beyond the usual travel guides and tourist listings, My City, My New York quotes VIPs and gives readers something truly unique: a chance to experience Manhattan the way its most notable luminary residents do. The activities and establishments included are diverse.
