E.L. Doctorow, Essays and Conversations E. L. Doctorow, 1983 **E.L. Doctorow** John G. Parks, 1991 *American Postmodernist Fiction and the Past* T. Patell, 2015-02-19 Through contemporary theories of cosmopolitanism and analyses of literary texts such as *Heart of Darkness* *Lilith* s *Brood* and *Moby Dick* this book explores the cosmopolitan impulses behind the literary imagination Patell argues that cosmopolitanism regards human difference as an opportunity to be embraced rather than a problem to be solved **E. L. Doctorow** Carol C. Harter, James R. Thompson, 1990 In this study of Doctorow s major works Harter and Thompson examine the author s critical and popular success They focus on the variety and versatility of his writing the historical and cultural considerations that inform all of his fiction and explicate the multiple connections between history autobiography and fiction in Doctorow s writings The authors argue that at the center of Doctorow s art is his primary concern with his characters consciences rather than their ideology They also cover the allegorical patterns and disarming realism that are important features of Doctorow s works ISBN 0 8057 7604 4 21 95 **Literature & History** , 2009 NTU Studies in Language and Literature , 2006 *E.L. Doctorow* Michelle M. Tokarczyk, E. L. Doctorow, 1988 The Fiction of Gore Vidal and E.L. Doctorow Stephen Harris, 2002 This book offers a close study of the relationship between the individual and history between a particularly American idea of self and how this is experienced in relation to the broader flow of events and time that shape

human experience While the discussion concentrates on Gore Vidal s historical novels *Burr* and 1876 and E L Doctorow s *The Book of Daniel* and *Ragtime* these readings provide a full consideration of each author s views on history and historical fiction the importance of individualism and corresponding conceptions of history within American culture and the role of the historical novel in American literature

African American Servitude and Historical Imaginings M. Jordan, 2004-08-20 In *African American Servitude and Historical Imaginings* Margaret Jordan initiates a new way of looking at the African American presence in American literature Twentieth century retrospective fiction is the site for this compelling investigation about how African American servants and slaves have enormous utility as cultural artifacts objects to be acted upon agents in place or agents provocateurs Jordan argues that those who even those seemingly innocuous infrequently visible or silent servants are vehicles through which history culture and social values and practices are cultivated and perpetuated challenged and destabilized Jordan demonstrates how African American servants and servitude are strategically deployed and engaged in ways which encourage a rethinking of the past She examines the ideological underpinnings of retrospective fiction by writers who are clearly social theorists and philosophers Jordan contends that they do not read or misread history they imagine history as meditations on social realities and reconstruct the past as a way to confront the present

Designs of Darkness in Contemporary American Fiction Arthur Michael Saltzman, 1990 Offering readings of works by authors including Barthelme Doctorow DeLillo and Hawkes Saltzman English Missouri Southern State College explores the ways in which postmodern fiction subverts the clarity of the goal oriented vision of traditional fiction Annotation copyrighted by Book News Inc Portland OR
