The Bachelor Life Travis J. Hawke, 2014-01-26 The bachelor years are the single time in a man's life when he is free to live the life of his choosing. Liberated of the shackles and expectations of his parents, he is yet unburdened by the future rigours and responsibilities that come with having a wife, kids, a career, job, and endless bills that will routinely have him consider changing his name and fleeing to live out his days on a South American beach. A vast world of opportunity awaits the modern day bachelor. Whether it is the residence he chooses to support his lifestyle, the trials and tribulations he experiences in the world of dating and its accompanying nightlife, forays into social media and online dating, or even the occasional and memorable road trip or festival, each contributes to the life of a bachelor and is there to be enjoyed to the fullest. Experience the life of the bachelor. What it entails. The highs. The lows. Whether your approach is to prepare yourself for the bachelor years ahead, enhance the experience you are already enjoying, or use it to tap into the joys your life once held, no stone is left unturned. Join comedic author Travis J. Hawke and his A Team roundtable of girls for an entertaining look into the world of the modern day bachelor.
