**ECGBL2015-9th European Conference on Games Based Learning** Robin Munkvold and Line Kolås, 2015-09-18

These proceedings represent the work of researchers participating in the 9th European Conference on Games Based Learning which is being hosted this year by Nord Trondelag University College Steinkjer Norway on the 8-9 October 2015. The Conference has become a key platform for individuals to present their research findings, display their work in progress and discuss conceptual advances in many different areas and specialties within Games Based Learning. It also offers the opportunity for like-minded individuals to meet, discuss and share knowledge. ECGBL continues to evolve and develop and the wide range of papers and topics will ensure an interesting two-day conference. In addition to the main streams of the conference, there are mini-tracks focusing on the areas of the design of multiplayer collaborative serious games, applied Games and gamification, the teacher's role in game-based learning, games for STEM, Science, Technology, Engineering, Mathematics, learning assessment of digital game-based learning and pervasive and ubiquitous gaming for learning. In addition to the presentations of research, we are delighted to host the third year of the Serious Game competition which provides an opportunity for educational game designers and creators to participate in the conference and demonstrate their game design and development skills in an international competition. This competition is again sponsored by SEGAN Serious Games Network. With an initial submission of more than 60 games, 28 finalists will present their games at the conference. Prizes will be awarded to the games judged to demonstrate the best quality and originality of game play itself and the positioning and articulation of the game's contribution to the educational domain. With an initial submission of 190 abstracts, after the double-blind peer review process, there are 75 research papers, 15 PhD research papers, 4 Non-Academic papers and 8 work-in-progress papers published in these Conference Proceedings. These papers represent research from more than 40 countries including Australia, Austria, Belgium, Brazil, Bulgaria, Canada, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Ireland, Israel, Italy, Japan, Malaysia, Norway, Portugal, Russia, Saudi Arabia, Slovakia, Slovenia, South Africa, Spain, Sweden, Switzerland, Taiwan, ROC, The Netherlands, The Netherlands, United Arab Emirates, UK and USA.

**The Bachelor Life** Travis J. Hawke, 2014-01-26. The bachelor years are the single time in a man's life when he is free to live the life of his choosing. Liberated of the shackles and expectations of his parents, he is yet unburdened by the future rigours and responsibilities that come with having a wife, kids, a career, job and endless bills that will routinely have him consider changing his name and fleeing to live out his days on a South American beach. A vast world of opportunity awaits the modern-day bachelor. Whether it is the residence he chooses to support his lifestyle, the trials and tribulations he experiences in the world of dating and its accompanying nightlife, forays into social media and online dating or even the occasional and memorable road trip or festival, each contributes to the life of a bachelor and is there to be enjoyed to the fullest. Experience the life of the bachelor. What it entails. The highs. The lows. Whether your approach is to prepare yourself for the bachelor

years ahead enhance the experience you are already enjoying or use it to tap into the joys your life once held no stone is left unturned Join comedic author Travis J Hawke and his A Team roundtable of girls for an entertaining look into the world of the modern day bachelor Offering a unique perspective on the era a man only gets to experience once The Bachelor Life is a quintessential guide that can be used to maximise this fleeting time and showcase its true value
