creator economy also provides an exorbitant amount of content to users of online platforms from around the world. Users of online platforms from around the world are able to access the content of the creator economy with extreme ease on their smartphones at anytime from anywhere in the world and are able to watch the easily accessible content for free that is produced by the creatives of the creator economy. The creator economy is an economy that is also appealing to consumers since it allows them to glean insights about products by watching videos appertaining to the specific products that they are ruminating purchasing. Customers would prefer to implement shrewd purchasing decisions that they are inapt to have qualms about implementing than implement impetuous purchasing decisions that they are apt to have qualms about implementing. The creator economy also appeals to freelancers who can perform tasks for creatives in order to generate revenue such as by producing thumbnails for creatives writing video scripts for creatives and editing videos for creatives. The creator economy is an economy that has provided real private sector job opportunities to people from around the world who are amenable to working as creatives or freelancers. The creator economy is a robust economy that has low competitive barriers to entry.
