your own personal consulting firm You get a complete array of instructions tools and templates for most challenges you ll face In this practical and relevant guide you ll learn how to Identify problems with your content and persuade your bosses it s worth the time and resources to do it right Assemble a stellar team for your content project Prepare your organization for content transformation Make sense of your business environment and understand your audience Align stakeholders on business goals and user needs Set a compass for your content and decide how to measure success Create maintain and govern on strategy content You ll learn how to treat content like the strategic asset that it is Quality content increases value Poor quality content destroys value It s as simple as that Meghan s book has specific practical and immediately actionable ideas that will help you increase the quality of your content Gerry McGovern CEO Customer Carewords This second edition goes deep into three integral topics for content leaders assembling cross disciplinary teams evaluating processes and building a content playbook If you re looking to build a new practice or retool an existing one this book will help you succeed Natalie Marie Dunbar Author From Solo to Scaled Building a Sustainable Content Strategy Practice

Content Strategy at Work Margot Bloomstein,2012-01-25 Content is king and the new kingmaker and your message needs to align with your model and metrics and other mumbo jumbo right Whether you re slogging through theory or buzzwords there s no denying content strategy is coming of age But what s in it for you And if you re not a content strategist why should you care Because even if content strategy isn t your job content s probably your problem and probably more than you think You or your business has a message you want to deliver right You can deliver that message through various channels and content types from Tweets to testimonials and photo galleries galore and your audience has just as many ways of engaging with it So many ways so much content so where s the problem That is the problem And you can measure it in time creativity money lost opportunity and the sobs you hear equally from creative directors project managers and search engine marketing specialists The solution is content strategy and this book offers real world examples and approaches you can adopt no matter your role on the team Put content strategy to work for you by gathering this book into your little hands and gobbling up never before seen case studies from teams at Johns Hopkins Medicine MINI Icebreaker and more Content Strategy at Work is a book for designers information architects copywriters project managers and anyone who works with visual or verbal content It discusses how you can communicate and forge a plan that will enable you your company or your client get that message across and foster better user experiences Presents a content strategy framework and ways to implement in both in house marketing departments and consultancies Includes case studies interviews and lessons learned from retail apparel network television business to business automotive non profit and higher ed brands Details practical sales techniques to sell content strategy and use content strategy processes to sell other services and larger projects

Grow Without Posting Everyday Online: Evergreen Systems Over Daily Content Hustle Ahmed Musa,2025-05-31 You didn t start your business to become a full time content machine The pressure to show up daily online can be exhausting The never ending treadmill of posts reels

stories and engagement tricks often leads to burnout not breakthroughs Grow Without Posting Everyday Online offers a different path one built on systems not stress This book is for creators and business owners who want to grow without giving their entire lives to the algorithm Instead of chasing short lived visibility you ll learn how to build evergreen assets that compound email sequences that sell while you sleep products that deliver consistent results content libraries that attract long after they re published This isn t about disappearing It s about creating smarter One powerful piece of content can replace weeks of noise One well designed system can outperform months of manual effort You don t need to post daily to grow you need assets that work when you don t You ll shift from reactive posting to strategic creation From scattered visibility to focused growth From social obligation to business freedom The digital world rewards consistency not constant presence This book shows you how to create a consistent presence through automation repurposing and long form assets that convert Because your business shouldn t fall apart the moment you stop posting It should grow quietly steadily and intentionally
