[The Remote Work Blueprint](#) T I Ransome, 2020-09-15

Prepare yourself to join the remote revolution with this comprehensive guide. Thanks to the advantages of technology and also unfortunately the far-reaching effects of a contagion, working remotely has never been more prevalent. After years of struggling with a long commute and spending extended hours at the office, you can now report to work by simply turning on your computer at home. It seems like a dream come true. No need to dress up, brave the traffic, and spend much of the day in a lifeless cubicle. Instead, you can work in peace from wherever you want, far from your nagging boss and interrupting colleagues. But working remotely comes with its own unique set of difficulties. Adjusting from an office with professionally dressed people all around you to working alone in your sweats with only your pets or a few family members as companions isn't an easy transition. Remote workers struggle with work-life balance, time management, productivity, and loneliness. These challenges may make you question if remote work is feasible for you in the long term. But it can be sustainable if you know what to expect, prepare yourself to tackle the common challenges, and set your routine to make the transition as smooth as possible.

In *The Remote Work Blueprint*, here is just a fraction of what you will discover:

- How to bring the best of the office environment to your home while keeping the coziness of your home
- How to smoothly navigate video conferences even if you're technologically challenged
- The secret to staying socially active when you're rarely around people physically
- How to successfully fend off distractions from your family or roommates without being rude or distant
- Accessible workplace alternatives when you're sick of being home all day
- How to collaborate and communicate effectively with your team when you don't get to see them in person
- Why putting more restrictions on yourself, your colleagues, and your family can give you more freedom to focus on the important things
- An easy motivational hack that's guaranteed to get you out of that funk and get you started on that task you keep postponing
- A quick adjustment to your daily routine that will immediately shift your mindset and gear you up for work

even if you're just at home. An indispensable part of any remote worker's schedule that often gets overlooked and how you can make sure you don't neglect it. Must have remote working apps you should take full advantage of to boost your productivity and save you precious time. And much more. The benefits of working remotely can be life-changing in many positive ways. It can increase work opportunities beyond your present location so you will never again have to turn down a perfectly good job because it's located in another state. It can also save you an unimaginable amount of time on commutes, allowing more time for family, a side hustle, or even just to rest. It's up to you to take advantage of these benefits by fully equipping yourself for this new working arrangement. As remote work is adopted by more and more companies, the future of work is no longer in the office building. Give yourself an edge from the rest and show that you are ready for the future. If you want to achieve even more while working remotely than you ever did in the office, then scroll up and click the Add to Cart button right now.
