[Introvert's Life War Strategy](#) Aryeh Ksah,2019-06-18 Use This Guidebook To Pave Your Way To Be The King Of Your LifeLife is as easy or difficult as you make it However there are certain cases when societal norms culture and traditions make life more difficult for you Such is the case with introverts When a culture largely leans towards extroversion and deems it to be the better kind introverts are likely to feel inferior and at war with the rest of the world In the world it is unfortunately assumed that introverts are incompetent of doing things as well as the extroverts are incapable of being around people are not confident at all and lack the skills and talent to do tasks that require socialization and most importantly that they cannot be good leaders The ideal woman in the culture is always the one who is an extrovert and is portrayed as a charismatic beautiful attractive woman whereas the Hollywood introvert is always portrayed as the awkward one This is why introverts feel as if this life is a war for them for they have to constantly struggle and battle to prove their worth While introverts are portrayed as being inferior to extroverts what many of us don t know is that they are extremely intelligent shrewd intellectual creative and charismatic I understand that being an introvert you do not always like to be around people as you find more solace in your own company and in that of your close loved ones However life as said above is a battle and you have to fight this war Uncover The Holy Revelations Contain In This Book That Will Keep You Unbeatable In Every Merciless Life s Wars The Unprecedented Strategy To Succeed
