**Coin-Operated Laundry: Entrepreneur's Step-by-Step Startup Guide** Entrepreneur magazine,2013-04-11 Cash in One Load at a Time The problem with most high profit businesses is that you spend so much time on the job that you have little free time to enjoy the fruits of your labor But coin operated laundries are different They re low maintenance recession proof and you can make as much as 200 000 a year working only part time hours But you have to know what you re doing And with our guide you will You ll get an in depth overview of the industry where its been and where it s likely to go and learn everything you need to know before launching your own self serve laundry business including New ideas for marketing your laundry An expanded section on hiring and training attendants Updated information on card systems Recent advances in laundry equipmen The latest on laws and regulations concerning laundries More ways to combine a laundry with other businesses You ll also get first hand advice from successful coin op laundry owners on how to create an inviting atmosphere

that will draw customers in and keep them coming back Clean clothes are a necessity not a luxury People are going to use laundromats no matter how the stock market is performing So if you re looking for an easy to run business that will keep the cash flowing no matter how the rest of the economy is doing you ve found it And while you re at it why not order our Vending Business guide too It makes an ideal companion business and it s a great way to augment your income This kit includes Essential industry and business specific startup steps with worksheets calculators checklists and more Entrepreneur Editors Start Your Own Business a guide to starting any business and surviving the first three years Downloadable customizable business letters sales letters and other sample documents Entrepreneur s Small Business Legal Toolkit *Photography Business: Step-by-Step Startup Guide* The Staff of Entrepreneur Media, Inc.,2019-10-22 Set up your business for success with the perfect shot The experts at Entrepreneur provide a two part guide to success First learn how to turn your talent for snapping great pictures into a lucrative business Then master the fundamentals of business startup including defining your business structure funding staffing and more This kit includes Essential industry and business specific startup steps with worksheets calculators checklists and more Entrepreneur magazine s Start Your Own Business a guide to starting any business and surviving the first three years and beyond Interviews and advice from successful entrepreneurs in the industry Worksheets brainstorming sections and checklists Entrepreneur s Startup Resource Kit downloadable MORE ABOUT ENTREPRENEUR S STARTUP RESOURCE KIT Every small business is unique Therefore it s essential to have tools that are customizable depending on your business s needs That s why Entrepreneur is also offering you access to our Startup Resource Kit Get instant access to thousands of business letters sales letters sample documents and more all at your fingertips You ll find the following The Small Business Legal Toolkit When your business dreams go from idea to reality you re suddenly faced with laws and regulations governing nearly every move you make Learn how to stay in compliance and protect your business from legal action In this essential toolkit you ll get answers to the how do I get started questions every business owner faces along with a thorough understanding of the legal and tax requirements of your business Sample Business Letters 1000 customizable business letters covering each type of written business communication you re likely to encounter as you communicate with customers suppliers employees and others Plus a complete guide to business communication that covers every question you may have about developing your own business communication style Sample Sales Letters The experts at Entrepreneur have compiled more than 1000 of the most effective sales letters covering introductions prospecting setting up appointments cover letters proposal letters the all important follow up letter and letters covering all aspects of sales operations to help you make the sale and generate new customers and huge profits *The Entrepreneur's Guide to Marketing* Robert F. Everett,2008-11-30 Marketing often scares entrepreneurs They ve sweat buckets coming up with a valuable product or service and now they have to sell it Won t it sell itself No But as marketing expert Bob Everett shows marketing is just not that hard At some level entrepreneurs know that They know what appeals to

them and what leaves them cold They know when a person or marketing claim is trustworthy and they know when claims are exaggerated Yet when it comes to marketing their own products and services to others entrepreneurs often find it difficult to apply that same judgment and common sense Everett to the rescue He helps entrepreneurs position products in the market then sell them effectively and ethically Everett first destroys marketing myths Marketing is difficult and needs to be done by professionals Good marketing has to be expensive Marketing skills require extensive training Marketing requires a great deal of creativity These myths have spawned a multi billion dollar industry consisting of advertising agencies public relations firms marketing consultants and academic marketing programs in business schools But as this book shows marketing is a simple process that anyone can master and that entrepreneurs must master if they are to succeed Fortunately the most effective marketing programs are usually the most honest simple and inexpensive The Entrepreneur's Guide to Marketing is designed to help the entrepreneur business owner manager or marketing professional harness his or her own inner wisdom and personal experience to develop powerful and efficient marketing programs Both a how to and a how to think about it book it takes readers through a step by step process of figuring things out for themselves The result A successful marketing program that will help entrepreneurs harvest new customers more dollars and overall success The Entrepreneur's Guide to Hiring and Building the Team Ken Tanner,2008-01-30 A human resources consultant former senior executive of well known companies goes beyond the usual clichés about recruiting teambuilding and retention In offering step by step advice on each stage of these processes with examples drawn from business politics and sports he often counters the conventional wisdom e g he asserts that the greatest teambuilding mistake entrepreneurs make is to hire team members whose styles which he delineates are like theirs The author invites readers to contact him at his e mail address for further assistance Tanner's other titles include Recruiting Excellence Retaining Employees *How to Build a Nontraditional Career Path* Ron Elsdon,2014-08-26 An invaluable resource for general readers at any career stage this book explains why when and how to engage in a fulfilling nontraditional career path that is both inspiring and practical The paradigm of the successful career has shifted No longer is working for a single company or even within a single career field throughout one's lifetime the norm Today many people are considering nontraditional paths to achieving success How to Build a Nontraditional Career Path Embracing Economic Disruption explains what such a career path looks like and details the benefits and challenges of pursuing this option Author Ron Elsdon identifies the types of individuals who will likely find nontraditional careers attractive and examines critical strategic issues thereby enabling the reader to assess whether and how such a path might fit their personality life goals and career objectives The information presented will benefit those considering something different at their entry to the workforce individuals in middle or later career stages re assessing their direction people re engaging with a career at an encore stage or those whose previous career paths have been disrupted by an external event such as job loss
