Customs Modernization Handbook Luc De Wulf, Jose B. Sokol, 2005-01-03 Trade integration contributes substantially to economic development and poverty alleviation. In recent years, much progress was made to liberalize the trade regime, but customs procedures are often still complex, costly, and non-transparent. This situation leads to misallocation of resources. *Customs Modernization Handbook* provides an overview of the key elements of a successful customs modernization strategy and draws lessons from a number of successful customs reforms, as well as from customs reform projects that have been undertaken by the World Bank. It describes a number of key import procedures that have proved particularly troublesome for customs administrations and traders and provides practical guidelines to enhance their efficiency. The Handbook also reviews the appropriate legal framework for customs operations, as well as strategies to combat corruption. Organizational Dynamics American Management Association (New York), 1991 Encyclopedia of Human Resource Management Adrian Wilkinson, Stewart Johnstone, 2016-01-29 The *Encyclopedia of Human Resource Management* is an authoritative and comprehensive reference resource with almost 400 entries on core HR areas and key concepts. From age discrimination to zero hours contracts, each entry reflects the views of an expert and authoritative author. The terms included vary from singular concepts such as performance appraisal and industrial conflict to organisational behaviour terms including organisational culture and commitment and broader management terms such as resourcing and management development. Each entry provides a list of references and further reading to enable the reader to gain a deeper awareness and understanding of each topic. This book is an ideal companion to a standard HRM textbook, and both undergraduate and postgraduate students will find it to be of value. It will also be useful for academic researchers, HR practitioners, and policy specialists looking for a succinct expert summary of key HR concepts. *The Academy of Management News* Academy of Management, 1991 *Catalog* Florida International University, 1992 **Publishers' Directory** Gale Group, 2003 Provides detailed information on more than 20,000 U.S. and Canadian publishers, including nearly 1,000 distributors, wholesalers, and jobbers, as well as small independent presses.
