## **Dada Paradox Mystification Ambiguity:**

*Anarchism and the Advent of Paris Dada* Theresa Papanikolas, 2017-07-05 *Anarchism and the Advent of Paris Dada* sheds new light on Paris Dada's role in developing the anarchist and individualist philosophies that helped shape the cultural dialogue in France following the First World War. Drawing on such surviving documentation as correspondence, criticism, periodicals, pamphlets, and manifestoes, this book argues that contrary to received wisdom, Dada was driven by a vision of social change through radical cultural upheaval. The first book-length study to interrogate the Paris Dadaists' complex and often contested position in the postwar groundswell of anarcho-individualism, *Anarchism and the Advent of Paris Dada* offers an unprecedented analysis of Paris Dada literature and art in relation to anarchism and also revives a variety of little-known anarcho-individualist texts and periodicals. In doing so, it reveals the general ideological diversity of the postwar French avant-garde and identifies its anarchist concerns. In addition, it challenges the accepted paradigm that postwar cultural politics were monolithically nationalist. By positioning Paris Dada in its anarchist context, this volume addresses a long-ignored lacuna in Dada scholarship and more broadly takes its place alongside the numerous studies that over the past two decades have problematized the politics of modern art literature and culture. **Dada** Manuel L. Grossman, 1971 **Challenging**

**Modernity** Mark A. Pegrum, 2000-04-01 When Dada burst onto the European stage in 1916, it shocked and scandalized the public of its day with art forms, ideas, and attitudes which were so revolutionary that it is only in recent decades that they have begun to find recognition within the broad cultural movement known as postmodernism. In fact, many postmodern artistic and intellectual tendencies can be seen to have descended via an underground tradition from the experiments of the Dadaists earlier this century. Yet the existence of this close link has been largely neglected by scholars. This book, for the first time, examines in depth the link between modernism and postmodernism and demonstrates the extensive similarities as well as the few crucial differences between the ideas and art of the Dadaists on the one hand and those of contemporary postmodern thinkers and artists on the other. Although they did not have access to postmodern terminology, it is clear that many Dadaists were essentially attempting to escape constrictive Enlightenment and modernist structures in order to create a proto-postmodern space of difference, otherness, and flux. Their successes, failures, and compromises in this respect are very illustrative for anyone interested in the progress of our own intellectual and artistic culture in its wavering between modern and postmodern. This book offers a much-needed historical perspective and solid basis for the ongoing debate on postmodernism. **Modernism and the Occult** John Bramble, 2015-03-04 This study of modernism's high imperial occult exotic affiliations presents many well-known figures from the period 1880-1960 in a new light. *Modernism and the Occult* traces the history of modernist engagement with irregular, heterodox, and imported knowledge. Dada Manuel L.

Grossman, 1971 **In the Shadow of the Holocaust & Other Essays** Constantin V. Ponomareff, 2023-12-14 The main thrust of this collection of essays, excluding those on Russian literature, is to visualize the European Holocaust from a number

of different vantage points the historical and cultural the political and individual the psychological and social and the critical and literary This wider perspective especially as it relates to the range and extent of human suffering suggests that a redefinition of the twentieth century Holocaust is now timely

**The Dada Painters and Poets** Robert Motherwell, 1989 Presents a collection of essays manifestos and illustrations that provide an overview of the Dada movement in art describing its convictions antics and spirit through the words and art of its principal practitioners

**Crisis and the Arts: Paris Dada, the barbarians storm the gates** Stephen C. Foster, 1996 Launches an eight volume series on the rebellious art form created during World War I by artists and writers in Zurich reacting to the horror of war the onslaught of new technology and the stifling aesthetics of futurism and cubism In 11 essays provides parameters for the historical and sociological context of the movement its manifestation in visual arts theater the media and literature the correspondence between the actual works and the various manifestos and the relevance of studying the phenomenon to present concerns Illustrated in black and white Annotation copyrighted by Book News Inc Portland OR

**Berlin Dada Reconsidered** Margaret Scott Rasche, 1981

**Dada East** Tom Sandqvist, 2006-02-24 Tzara who himself coined the term Dada inspired by an obscure connection of his birthday to an Orthodox saint was at the Cabaret Voltaire that night along with fellow Romanians Marcel Jules and Georges Janco and Arthur Segal It is not a coincidence Sandqvist argues that so many of the first dadaist group was Romanians Sandqvist traces the artistic and personal transformations that took place in the little Paris of the Balkans before they took center stage elsewhere finding sources as varied as symbolism futurism and folklore He points to a connection between Romanian modernists and the Eastern European Yiddish tradition Tzara the Janco brothers and Segal all grew up within Jewish culture and traditions

*Crisis and the Arts: Exquisite Dada : a comprehensive bibliography* Stephen C. Foster, 1996 Despite the short life of the Dada movement it has provoked the interest of art historians museum directors and literary critics from all over the world The present volume comprises the literary texts of individual Dadaists and periodicals from all Dada centers as well as books articles exhibition catalogs and bibliographies by international scholars Jo rgen Scha fer s

*Exquisite Dada* is the most exhaustive bibliography on Dada that has ever been compiled so far By giving a synopsis of some decades of scholarly research it provides an indispensable source for further studies on the matter

Writing Space J. David Bolter, 1991 This book is a study of the computer as a new technology for reading and writing a technology that may replace the printing press as our principal medium of symbolic communication One of the main subjects of *Writing Space* is hypertext a technique that allows scientists scholars and creative writers to construct texts that interact with the needs and desires of the reader Bolter explores both the theory and practice of hypertext demonstrating that the computer as hypertext represents a new stage in the long history of writing one that has far reaching implications in the fields of human and artificial intelligence cognitive science philosophy semiotics and literary theory Through a masterful integration of introductory historical illustrative and theoretical material as well as an accompanying diskette containing a sample of

hypertextual writing Bolter supports his claim that the computer will carry literacy into a new age the age of electronic text that will emerge from the age of print that is now passing His reflections on literacy in contemporary culture lead him to a compelling conclusion ironically cultural literacy is becoming almost synonymous with computer literacy     *Books and Library Notes* Mississippi State University,1972     **Crisis and the Arts** Stephen C. Foster,1996     **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1971     **American Book Publishing Record** ,1977-03-31 Here s quick access to more than 490 000 titles published from 1970 to 1984 arranged in Dewey sequence with sections for Adult and Juvenile Fiction Author and Title indexes are included and a Subject Guide correlates primary subjects with Dewey and LC classification numbers These cumulative records are available in three separate sets     **Typography and the Art of Kurt Schwitters** Grace Elizabeth Baker,1974     **Memoirs of a Dada Drummer** Richard Huelsenbeck,1974 Huelsenbeck s memoirs bring to life the concerns intellectual artistic and political of the individuals involved in the Dada movement and document the controversies within the movement and in response to it     [Dada Surrealism](#) ,1983     **Bulletin of the Midwest Modern Language Association** Midwest Modern Language Association,1969
