The Jew as Legitimation David J. Wertheim, 2017-01-20 This book traces the historical phenomenon of the Jew as Legitimation Contributors discuss how Jews have been used through time to validate non Jewish beliefs The volume dissects the dilemmas and challenges this pattern has presented to Jews Throughout history Jews and Judaism have served to legitimize the beliefs of Gentiles Jews functioned as Augustine s witnesses to the truth of Christianity as Christian Kabbalist s source for Protestant truths as an argument for the enlightened claim for tolerance as the focus of modern Christian Zionist reverence and as a weapon of contemporary right wing populism against fears of Islamization This volume challenges understandings of Jewish Gentile relations offering a counter perspective to discourses of antisemitism and philosemitism
