Dads Army The Home Front:

Dad's Army Goes to War Melody Foreman, 2024-12-30 For decades the classic evergreen BBC comedy Dad s Army has entertained millions of viewers around the world But the farcical antics of Walmington on Sea s bumbling Home Guard platoon camouflage the true military service of some of the actors themselves Despite their light hearted appearance many of the cast saw active service in one or even both of the world wars and much of it far from humorous The inspiration behind the sitcom was the experiences of one its writers Jimmy Perry who as a young 16 year old wannabe comedian was still waiting for his call up papers when he joined the eager warriors of the Home Guard in 1940 Little did he know how decades later that ribald group of men in the Watford battalion would provide the inspiration which put his name up in lights Indeed was it Perry s own goofy gullibility as a teenager that helped form the character of Private Pike Also admitted Perry the affable Lance Corporal Jones in real life Clive Dunn a former prisoner of war who served in the 4th Queen s Own Hussars was partly based on an old soldier Perry knew who had served in the Sudan This veteran recalled being told by a CO to piss on your rifle to cool it down Perry went on to serve in India in the Royal Artillery and then later with Combined Services Entertainments As a twenty year old British Army officer David Croft was stationed in North Africa when a raft of comical events including his struggles with a Bofors gun went on to shape the calamities which befall the Dad s Army troopers theater mad Derbyshire lad Arthur Lowe who played the redoubtable Captain Mainwaring was thin with knobbly knees when he was seconded to the No 2 Field Entertainment Unit in Egypt Meantime languid good mannered actor John Le Mesurier reported for duty with the Royal Tank Regiment complete with golf clubs in his car boot By 1943 he was ironically enduring life in Deolali Doolally in India when he had a captaincy thrust upon him until being demobbed in 1946 The astonishing bravery of actor and playwright Arnold Ridley who was denied a DSO and a Military Medal for his actions during the First World War makes for heart rending reading His creation of dear old Private Godfrey won him millions of adoring fans The classical actor John Laurie Private We re all doomed Frazer was also a hero of the trenches Always dry witted he once made everyone laugh on set when he remarked I ve played every part in Shakespeare I was considered to be the finest Hamlet of the 1920s and I had retired and now I am famous for doing this crap That each man including the mocking Laurie helped turn Dad s Army into everlasting success will never be forgotten And why Well in reality they had seen war and knew war and yet always completely realised and understood how the power of laughter is the ultimate triumph *In Search of the Real Dad's Army* Stephen M. Cullen, 2012-02-29 A fascinating examination of one of the best known British forces of the Second World War An efficient and increasingly professional military unit History of War What was the Home Guard Who were the men and women who served in it And what can be said of their real role and significance once the popular myths have been stripped away Despite the fame of the Home Guard of Dad s Army the true story of this wartime organization tends to be neglected The myths obscure the reality Stephen Cullen s aim in this thoroughgoing new study is to cut through

the misunderstandings in order to reassess the Home Guard and its contribution to Britain's war effort and to deepen our understanding of the men and women who were members of it. He sets the Home Guard in the long historical context of domestic defense planning then focuses on the preparations made before the outbreak of the Second World War. In detail he traces the changing role of the Home Guard during its wartime existence as it adapted to meet the multitude of challenges it faced from civil defense and intelligence gathering to training for guerrilla warfare. This enjoyable and well illustrated book covers the rags to riches story of the Home Guard from the 1940 volunteer in civilian clothing armed with a keepsake from an earlier war to the fully trained and equipped part time soldier. Passchendaele epitomises everything that was most terrible about the Western Front. The photographs never sleep of this four month battle fought from July to November 1917 the worst year of the war blackened tree stumps rising out of a field of mud corpses of men and horses drowned in shell holes terrified soldiers huddled in trenches awaiting the whistle. The intervening century the most violent in human history has not disarmed these pictures of their power to shock. At the very least they ask us on the 100th anniversary of the battle to see and to try to understand what happened here. Yes we commemorate the event. Yes we adorn our breasts with poppies. But have we seen. Have we understood. Have we dared to reason why. What happened at Passchendaele was the expression of the wearing down war the war of pure attrition at its most spectacular and ferocious. Paul Ham's *Passchendaele Requiem for Doomed Youth* shows how ordinary men on both sides endured this constant state of siege with a very real awareness that they were being gradually deliberately wiped out. Yet the men never broke they went over the top when ordered again and again and again. And if they fell dead or wounded they were casualties in the normal wastage as the commanders described them of attritional war. Only the soldier's friends at the front knew him as a man with thoughts and feelings. His family back home knew him as a son husband or brother before he had enlisted. By the end of 1917 he was a different creature his experiences on the Western Front were simply beyond their powers of comprehension. The book tells the story of ordinary men in the grip of a political and military power struggle that determined their fate and has foreshadowed the destiny of the world for a century. Passchendaele lays

down a powerful challenge to the idea of war as an inevitable expression of the human will and examines the culpability of governments and military commanders in a catastrophe that destroyed the best part of a generation **Modern War on Stage and Screen** Wolfgang Görtzschacher, Holger Klein, 1997 *HomeFront* ,2008 **The Journal of Military History** ,2002 **Just Kids** Patti Smith, 2010-04-20 WINNER OF THE NATIONAL BOOK AWARD It was the summer Coltrane died the summer of love and riots and the summer when a chance encounter in Brooklyn led two young people on a path of art devotion and initiation Patti Smith would evolve as a poet and performer and Robert Mapplethorpe would direct his highly provocative style toward photography Bound in innocence and enthusiasm they traversed the city from Coney Island to Forty Second Street and eventually to the celebrated round table of Max's Kansas City where the Andy Warhol contingent held court In 1969 the pair set up camp at the Hotel Chelsea and soon entered a community of the famous and infamous the influential artists of the day and the colorful fringe It was a time of heightened awareness when the worlds of poetry rock and roll art and sexual politics were colliding and exploding In this milieu two kids made a pact to take care of each other Scrappy romantic committed to create and fueled by their mutual dreams and drives they would prod and provide for one another during the hungry years *Just Kids* begins as a love story and ends as an elegy It serves as a salute to New York City during the late sixties and seventies and to its rich and poor its hustlers and hellions A true fable it is a portrait of two young artists ascent a prelude to fame **Ordinary Heroes** Barry Dicken, 2015-05-01

Dad's Army David Carroll, 2009-03-30 The Home Guard was formed in May 1940 when the dark clouds of war rolled over Britain and the nation stood alone threatened with a Nazi invasion Within six weeks of a radio appeal for a new civilian army to guard the Home Front a staggering 1.5 million men had enrolled for service covering every city town and village in the country Despite initial deficiencies in the provision of training and equipment the Home Guard later developed into a cohesive force and one of impressive diversity David Carroll draws on the personal accounts of those men and eventually women who served to reveal what it was really like to spend long nights on duty watching for the disguised enemy parachutists to drop on the fields of Britain He conveys the fighting spirit of the men while examining the Home Guard's contribution to the war effort *Dad's Army* is a comprehensive account of the Home Guard from the early disorganised days of May 1940 until Stand Down at the close of 1944 by which time they had become a force to be reckoned with **Military Masculinities** Paul Higate, 2003-05-30 This volume deconstructs the traditional stereotypes of military identity and makes a strong case for a plurality of identities within a range of theoretical and empirical contexts **Baltimore and Ohio Employees Magazine** ,1942 **The Listener** ,1977-07 *The British National Bibliography* Arthur James Wells, 2003 *Listener and BBC Television Review* ,1989
