Daemonologia: a Discourse on Witchcraft ... Along with the Only Two Ecloques of the Same Author Known to be in Existence. With a Biographical Introduction, and Notes Topographical and Illustrative Edward FAIRFAX,1882 Witches of Warboys Philip C. Almond, 2007-10-24 On a foggy November day in 1589 when one of the five daughters of Robert and Elizabeth Throckmorton suddenly fell sick no one in the small English village of Warboys could have predicted the terrifying events that would follow Or envisaged that four years later in April 1593 the Throckmortons neighbours Alice Agnes and John Samuel would be dragged before a country court on charges of sorcery enchantment and murder There is no more dramatic story in the annals of English witchcraft than that of the witches of Warboys Yet despite a rich and colourful cast of characters and a potent mixture of tension and pathos to match anything in the later Salem witch trials it has never before been told in full At one level the story of Warboys features a conflict about honour and truth between two families in a close knit Elizabethan village At another level the tale concerns a wider struggle between local gentry and yeomanry But at the heart of the narrative coils a dark account of possession by demons of malevolent spirits of trust broken and of children accursed What really happened in Warboys in the late sixteenth century to drive this unremarkable rural community into such frenzy Philip Almond leads us into a half forgotten world of horror and crime of victims and victimisers of spectres sex with the devil and scratching the witch a macabre and dangerous world where nothing is as it seems where evil begets evil **Psychical Research** and where innocence is betrayed Witchcraft in North Carolina Tom Peete Cross, 1919 **Monograph, No. 1** Stanford University, 1917 The Heroic Couplet in the Sixteenth and Early Seventeenth **Centuries** George Pope Shannon, 1926 Experiments in Psychical Research at Leland Stanford Junior University John Edgar Coover,1917 Proceedings of the Society for Psychical Research Society for Psychical Research (Great Britain),1927 List of members in v 1 19 21 24 Author List of the "Collyer Collection" of Books Relating to Yorkshire, Bequeathed to the Ilkley Public Library by the Late Rev.
