Drake,2012-07-25 Drawing on research in men s long term maximum security prisons this book examines three interconnected problems the tendency of the prison to obscure other social problems and conceal its own failings the pursuit of greater levels of human security through repressive and violent means and the persistence of the belief in the problem of evil Researching Crime and Justice Louise Westmarland,2013-03-01 This book provides an introduction to research and some of the methods in the field of crime and justice and related areas including police prisons and criminal justice policy making Less a dry how to book it is concerned rather to provide a wide ranging discussion that illustrates the kind of research that has been done in particular areas the findings of previous studies the pitfalls of real life research and some potential solutions and the range of possible research methods and approaches both qualitative and quantitative It shows how appropriate methods are chosen for particular studies and explores the theoretical underpinnings of the studies including how and why researchers use theory the political and ethical issues and the role of emotions such as fear and danger in researching the field of crime and criminal justice Key features include First hand interviews with leading hands on academics Examples excerpts and sources of original research Analysis of the theories methods and outcomes of previous research Throughout the book there is an emphasis on the often troublesome and often ignored relationship between the topic of study desired outcomes and suitable methods with a wide range of illustrative case studies Here the approach is practical pointing out the different approaches various studies have used and how their outcome is often determined by their choice of methods The book also reflects on the philosophies of research and includes discussions about the way the choice of methods will be reflected in the findings and vice versa which seems obvious but is often forgotten Researching Crime and Justice Tales from the Field will be an essential source of inspiration and ideas for criminology students and other researchers on crime and justice Criminology Steve Case,Phil Johnson,David Manlow,Roger Smith,Kate Williams,2017 Criminology is a textbook with a new approach both student focused and research engaged Written for today s students it provides the framework of knowledge core to exploring understanding and explaining crime The goal is simple and bold to help the next generation of criminologists to be switched on excited and critical *Doing Criminological Research* Pamela

Davies, Peter Francis, Victor Jupp, 2011-01-19 The new edition of this bestselling textbook brings criminological research alive for students. It introduces the processes and practicalities of preparing, doing, experiencing and reflecting upon criminological research. The success of the First Edition has been its ability to contextualize research accessibly within real life examples of crime, criminology and criminal justice: doing interviews with offenders in prison, undertaking evaluation on crime related projects using questionnaires to measure fear. Its strength continues to lie in its ability to span the process of doing criminological research, helping students to understand the journey of the researcher. Criminology Tony

Murphy, 2022-11-23 Criminology is a contemporary applied and critical criminology textbook that demonstrates the interdisciplinary nature of criminology and the links between criminological enquiry and wider social and global issues and processes. Concise, focused and engaging, this second edition masterfully conveys the key issues and perspectives within criminology with ease, and it is accompanied by a range of features to support and test student learning in each chapter. Tony Murphy's accessible writing style and valuable expertise enables students to connect with core and emergent topics and themes within the field. This fully updated new edition includes a brand new chapter on social harm beyond criminology, inclusive of social murder, structural violence, social protest and its governance. More social media focus. Topical examples e.g. material on femicide in relation to counting crime, the creation of new offences in relation to Covid and how this relates to the various definitions of crime, the Afghanistan debacle and more. This is an essential introductory text that provides the foundation needed for studies in criminology. Tony Murphy is a Staff Tutor in Criminology at the Open University. **A**

World View of Criminal Justice Richard Vogler, 2005 In an era of unprecedented change in criminal justice around the world, our failure to take procedure seriously has a terrible cost, allowing reform to be driven by purely pragmatic considerations: cost cutting or foreign influence. This book proposes a new theory of procedure derived from the three great international trial modes: inquisitorial justice, adversarial justice and popular justice. **Essentials of Research Methods**

in Criminal Justice and Criminology Frank E. Hagan, 2006 Adapted from Frank Hagan's best selling Research Methods in Criminal Justice and Criminology, this new text offers a complete introduction to qualitative and quantitative research for criminal justice in a manageable and reader friendly format. The text emphasizes sources and resources of classic and contemporary research in the field. Also, the text uses criminological and criminal justice studies to illustrate research methods so students can become familiar with examples of research in the field and learn fundamental research skills. Students reading this text will learn about how to do research by also being exposed to and learning about classic and contemporary research examples in criminal justice and criminology. The importance of ethics in research on this subject is emphasized by having it as the second chapter that is also replete with examples. The importance of research and becoming familiar with various designs as well as examples. Chapter 3 on Research Design: Qualitative research. It is given detailed coverage in the chapters on Participant Observation and Unobtrusive Measures. The Emerald Handbook of Crime, Justice
