## **Doing Good Or Doing Well Japan's Foreign Aid Program:**

*Doing Good Or Doing Well?* Margee M. Ensign, 1992 Japan's emergence as a world economic power is second only to the end of the Cold War in its significance for the world's political economy. While volumes have been written profiling Japan's behavior in trade and finance, less has been written about a third facet of its economic personality: its foreign aid program. In this important new book, Margee M. Ensign shows that contrary to stated claims, Japanese aid is inextricably linked to Japanese business interests. In *Doing Good or Doing Well*, Ensign explores one of the most controversial issues pervading the volatile U.S.-Japan relationship: the practice of aid tying. In a masterful piece of research, Ensign shows how Japanese foreign aid to the developing world is often tied to purchases from Japan and contradicts official Japanese statistics stating that American firms have won an increasing share of Japan's loan-financed aid projects. She reveals that the loan component of Japanese aid is effectively tied to purchases from Japan, making this portion of the aid program essentially one of private foreign assistance. Ensign also discloses how economic aid from Japan, which is used to build infrastructure, can lay the groundwork for lucrative business ventures by Japanese firms. Overall, Tokyo's policy enables Japanese capital to establish a foothold in the developing world with potentially devastating consequences for countries battling poverty and environmental ruin. *Doing Good or Doing Well* has wide-ranging implications for U.S.-Japanese relations, for Third World development, and for U.S. foreign aid policy. Some in the West will conclude that the U.S. should restructure its aid policies to mimic the Japanese model. One dominant argument in Congress is that U.S. aid should be used to support U.S. exports. Ensign convincingly shows that it is in the best interest of the U.S. and the Third World that foreign assistance be used to support broad-based economic growth and development. Finally, her findings that Japan's aid focus is a narrow one suggest that Japan does not yet have the kind of global vision that helped to reshape the world after World War II. For the U.S., these results are a reminder that economic nationalism must be countered by a global blueprint if the international economic system is to remain open and cooperative.

*The Business of Japanese Foreign Aid* Marie Soderberg, 2012-10-02 Japan is now the biggest donor of Official Development Assistance (ODA) throughout the world. This study takes a new approach to this subject by focusing on the procedures, methodologies, and business mechanisms at the implementation level that influence the process of policy making in Tokyo. It is also the first study to explore the process of receiving aid, arguing that many of the recipient countries exert considerable influence over the distribution of Japanese foreign aid.

*Japan's Foreign Aid* David Arase, 2012-10-12 Filling a gap in the existing literature, this book analyzes the distinctive features of Japan's development aid, especially technical cooperation, in comparison with other donors' aid. Incorporating a wealth of research, it discusses whether Japan is behind other leading donor countries in rethinking its aid policy and whether it lacks transparency, sensitivity to recipient needs, and a coherent and coordinated policy that targets poverty. The volume assesses the nature and effectiveness of the administration of Japan's aid and explores the degree of involvement of the private sector and non-governmental organizations (NGOs). Including

contributions from experts with direct experience with Japanese ODA the book provides a wide range of recipient and donor viewpoints and presents important policy recommendations

**Foreign Aid Reform** United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on International Economic Policy, Trade, Oceans, and Environment, 1994

**Japan's New Regional Reality** Saori N. Katada, 2020-07-07 Since the mid 1990s Japan's regional economic strategy has transformed. Once characterized by bilateralism informality and neomercantilism Japanese policy has shifted to a new liberal strategy emphasizing regional institution building and rule setting. As two major global powers China and the United States wrestle over economic advantages Japan currently occupies a pivotal position capable of tipping the geoeconomic balance in the region. Japan's New Regional Reality offers a comprehensive analysis of Japan's geoeconomic strategy that reveals the country's role in shaping regional economic order in the Asia Pacific. Saori N. Katada explains Japanese foreign economic policy in light of both international and domestic dynamics. She points out the hurdles to implementing a state-led liberal strategy detailing how domestic political and institutional changes have been much slower and stickier than the changing regional economics. Katada highlights state market relations and shows how big businesses have responded to the country's interventionist policies. The book covers a wide range of economic issues including trade investment finance currency and foreign aid. Japan's New Regional Reality is a meticulously researched study of the dynamics that have contributed to economic and political realities in the Asia Pacific today with significant implications for future regional trends. *East Asia*

United States International Trade Commission, 1993 **East Asia** Julie Bringe, Cynthia Foresio, Michael Hagey, Eric Land, 1997-04 An investigation of the causes and implications for the U.S. of increasing economic integration in East Asia. Includes an overview of trends in and conditions for trade investment and economic integration in East Asia host country policies and factors influencing those trends and conditions external factors affecting the business activities of major traders and investors in the region the relationship between foreign direct investment in the region and the region's trade patterns with others energy needs and resources in the region environmental conditions and opportunities for local and U.S. interests

*The Journal of Japanese Studies*, 1997 A multidisciplinary forum for communicating new information new interpretations and recent research results concerning Japan to the English reading world **Helping Others, Helping Oneself** Kozo

Kato, 1996 International Political Economy Thomas D. Lairson, David Skidmore, 1997 INTERNATIONAL POLITICAL ECONOMY focuses on conflicts and collaborations that occur between nations as each pursues power and wealth through international economic exchange. The authors provide a historical overview of the development of the world economy from 1815 to the present helping students understand how and why major economic powers rise and fall. This balanced blend of history theory and policy makes the book suitable as a main text for International Political Economy courses or as a supplemental text for an Introductory International Relations course **The Fletcher Forum of World Affairs**, 1993

## **Doing Good Or Doing Well Japans Foreign Aid Program Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Doing Good Or Doing Well Japans Foreign Aid Program has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Doing Good Or Doing Well Japans Foreign Aid Program has opened up a world of possibilities.

Downloading Doing Good Or Doing Well Japans Foreign Aid Program provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Doing Good Or Doing Well Japans Foreign Aid Program has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Doing Good Or Doing Well Japans Foreign Aid Program. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Doing Good Or Doing Well Japans Foreign Aid Program. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Doing Good Or Doing Well Japans Foreign Aid Program, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure

their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Doing Good Or Doing Well Japans Foreign Aid Program has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Doing Good Or Doing Well Japans Foreign Aid Program Books**

1. Where can I buy Doing Good Or Doing Well Japans Foreign Aid Program books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
