This book shows how after the fall of the Berlin Wall in 1989 the Gospel of the free market became the only world religion of universal validity The belief that all value needs to be quantifiable was extended to human beings whose value became dependent on their rating on the various ranking scales in the global infotainment system **Monographic Series** Library of Congress,1980 National union catalog, 1978 Library of Congress,1978 **No More Fear** Antony Paul Maina,2010-06-18 One of the great discoveries a man makes one of his great surprises is to find he can do what he was afraid he couldnt do Henry Ford Dealing with insecurity will provide the security you need to make that discovery A lack of information produces an abundance of misunderstanding If you do not conquer fear fear will conquer you Fear will contain you It will box you in Fear will terrorise your mind to destroy it if you allow it Are you scared by the credit crisis affecting our global economy Are you terrified by terrorists Are you afraid you might catch Swine Flu Birds Flu Do you fear for your children when you drop them off at school Are you worried that someone might attack you in the streets Has the youth gangs put fear in you Is Debt causing you to worry Do you struggle with self confidence Is your weight a cause for worry Are you afraid of dying flying water closed spaces etc Have you ever felt like something or some kind of unseen force held you back Contrary to popular belief fear comes through words and images It has a force behind it whether mild fears or more intense

traumatic experiences There is a very strong negative presence or energy at work It amplifies your normal warning signals relayed by neurons to and from the brain You are a book away from discovering how fear operates where it comes from how it affects your mind and more importantly how to get rid of it for good From now on youll enjoy life without fear because youll know what to do whenever fearful emotions show up You deserve the best in life free from fear No More Fear will show you how Youll be glad you read this book
