Also in the 8th revised and improved edition published by a government-funded publisher involved in EU programs and a partner of the Federal Ministry of Education, you receive the concentrated expertise of renowned experts overview in the book preview embedded in an integrated knowledge system with premium content and 75% advantage. At the same time, you do good and support sustainable projects. Because networking works like a pineapple: Once you have cracked the hard, spiky skin, you can enjoy the soft and sweet content. But networking is different for everyone, and that is the problem of many guidebooks on the topic. While introverts, for example, often don't know who to talk to because they don't like superficial small talk, extroverted natures are the ramp sows at events but they lack a sound follow-up that makes making contacts sustainable and efficient. This guidebook addresses precisely these differences and thus helps every reader to achieve success according to his or her type. Knowledge that makes a difference. With its Information on Demand concept, the publisher was not only involved in an EU-funded program but also received several awards. So when you buy the book, you are also doing good. The publisher is financially and personally committed to socially relevant projects such as tree planting campaigns, scholarship foundations, sustainable living, and many other innovative ideas. The goal of providing you with the best possible content on topics such as career, finance, management, recruiting, or psychology goes far beyond the static nature of traditional books. The interactive book not only imparts expert knowledge but also allows you to ask individual questions and receive personal advice. In doing so, expertise and technical innovation go hand in hand as we take the responsibility of delivering well-researched and reliable content as well as the trust you place in us very seriously. Therefore, all texts are written by experts in their field. Only for better accessibility of information, do we rely on AI-supported research results to a limited extent to make information easier to find, which assists you in your search for knowledge. You also gain extensive premium services. Each book includes detailed explanations and examples, making it easier for you to successfully
