Guide to Success in the Workplace Dr. Mike Bechtle, 2023-10-10 Thriving at work doesn't require changing who you are. Do brainstorming meetings leave you drained and wishing you'd said more? Have you been ignored while your extroverted coworkers get praised? Do you feel like you have to pretend to be someone you're not in order to get ahead? As an introvert, you may feel like the things you're best at—deep thinking, keen observation, focused listening, and strategic planning—are not highly valued in your workplace. But just because your greatest strengths are internal doesn't mean your workplace doesn't need them. In fact, your invisible skills are essential to any business's success. And the key to your personal success is not trying to be someone else but being 100% yourself. Backed by research, case studies, and personal observation, communication expert Dr. Mike Bechtle shows you how to capitalize on your unique strengths so that you can reach your full potential with confidence and authenticity. His simple, actionable advice can change your work life starting today. *Introverted Mom* Jamie C. Martin, 2019-05-07 Your personality is a gift, not a liability. This book helps you uncover and embrace the hope, laughter, and joy of using your unique gifts to parent your children. Life as a mom is LOUD, but you long for quiet. When the volume of family life clashes with your personality, frustration, guilt, and overwhelm naturally result. In *Introverted Mom*, author Jamie C. Martin lifts these burdens from your shoulders, reminding you that your steady strength is exactly what your family needs in this chaotic world. Jamie shares vulnerable stories from her own life, as well as thoughts from other introverted mothers, letting you know you're not alone. Her practical suggestions and creative inspiration are enhanced with quotes and insights from four beloved writers: Louisa May Alcott, Jane Austen, L. M. Montgomery, and Laura Ingalls Wilder. Together, Jamie and this band of fellow introverts share their wisdom on believing that you're enough, self-acceptance that leads to freedom, navigating heartache and disappointment, stretching out of your comfort zone, connecting with God as an introvert, cultivating calm wherever you are, defining for yourself what really matters, whether you've just realized you're an introvert or if you've known it all along. This book is for you. It's time to honor who you are and savor life as an introverted mom. Note: Written from a Christian perspective. *Communication Intelligence: Leverage Your Strengths and Optimize Every Interaction to Work Best with Others* Claude D'Val Morgan, 2023-05-30 The founder of The Fort Institute shares his time-tested assessment and proven strategies to help you build your communication strengths and develop Communication Intelligence™ CQ.
