Why Motivating People Doesn't Work...and What Does, Second Edition Susan Fowler, 2023-05-16 Leaders who want to amp up employee morale should take a look Publishers Weekly What if the answer to motivating people is to stop trying to motivate them The second edition of this bestseller reveals how motivation science is essential for solving the most vexing leadership issues from hybrid work and retention to employee engagement Leaders face a motivation dilemma Traditional command and control management styles and carrot and stick motivation techniques have been proven ineffective Motivation researcher and leadership consultant Susan Fowler expands on her groundbreaking Spectrum of Motivation model in this updated post pandemic edition New chapters tackle motivation science s role in managing remote and hybrid work expose overused tactics such as gamification and tokens and tell the fascinating backstory behind the great resignation and quiet quitting Fowler s approach to leadership is fresh pragmatic and inspiring But it s also empirically sound Her framework builds on Self Determination Theory equipping leaders with skills to encourage choice deepen connection and build competence Leaders who mastered this method have experienced breakthroughs with higher retention lower turnover greater acceptance of DEIJ initiatives and a more vital creative and resilient workforce Through her experiences working with organizations and leaders around the world Fowler reminds us that motivation is at the heart of everything people do and everything they don t do but wish they did When managers integrate motivation science into their everyday leadership practice an evolutionary truth emerges people can be highly productive and flourish simultaneously

[The Future of Human Resource Management in a Multigenerational Workforce](#) Vidhi Tyagi, Shikha Aggarwal, Pallavi Tyagi, 2025-10-06 As organizations navigate an increasingly complex and fast evolving business landscape The Future of Human Resource Management in a Multigenerational Workforce provides HR professionals researchers and business leaders with a comprehensive guide to

understanding and managing the workforce of tomorrow Why Workplace Wellbeing Matters Jan-Emmanuel De Neve, George Ward, 2025-03-25 The definitive account of workplace wellbeing and its key drivers offering a fresh data driven perspective on the connections between happiness productivity and organizational success Most of us spend a third of our waking lives at work Work shapes our schedules relationships identities and economies but is it actually making us happy This crucial question is explored in depth by leading Oxford researchers Jan Emmanuel De Neve and George Ward who provide the richest most comprehensive picture of workplace wellbeing yet In Why Workplace Wellbeing Matters the authors clarify what workplace wellbeing is and is not and offer a framework for how businesses can approach and improve it Drawing on extensive large scale data including the world s largest data set on employee wellbeing gathered in partnership with the jobs platform Indeed the book reveals the remarkable ways in which wellbeing at work varies across workers occupations companies and industries The authors present new evidence based insights into the origins of workplace wellbeing and how businesses can enhance the employee experience Integrating work from multiple academic disciplines they show that workplace wellbeing encompasses both how we think about our work as a whole and how we feel while doing it Their research demonstrates that improving wellbeing can boost productivity aid in talent retention and recruitment and ultimately improve financial performance With in depth analysis and keen insight De Neve and Ward debunk myths and test assumptions amid an often confusing cacophony of voices on wellbeing at work Why Workplace Wellbeing Matters provides a firm foundation and indispensable resource for leaders seeking to shape the future of work **Reinventing Work** Martin Reeves, Deborah Lovich, 2024-10-21 Organizations often declare that their biggest asset is their people As such business leaders make constant efforts to hire the best talent and to get the best out of their workers But a confluence of forces is reshaping all aspects of talent management A war for talent rages and will be exacerbated in the long term by demographic aging the half life of skills is decreasing as AI powers more parts of business workflows flexible and hybrid work models are becoming commonplace and management methods focused on measurement and efficiency are not sufficient for engaging a purpose seeking generation In these turbulent times CEOs and their entire teams not just HR need to rethink how they can create a people advantage going beyond traditional approaches to organization performance management and compensation This book a collection of recent essays written by researchers at the BCG Henderson Institute Boston Consulting Group s think tank aims to help leaders to reinvent work by providing a forward looking perspective on all aspects of talent management Across five chapters the book discusses How to attract the talent of the future How to shape the workforce in an evolving context How to embrace new models of work How to build the workplace of the future How to establish new models of leadership and culture By providing a combination of new ideas real world examples and concrete recommendations Reinventing Work serves as a guide for leaders to effectively navigate the changing nature of work

From Marginal to Mainstream Helen Edwards, 2023-02-03 Legacy brands are struggling The hand to hand combat for

advantage has become a zero sum game producing small share gains and losses but nothing to bring about sensational new growth This book shows why businesses marketers and entrepreneurs need to break free from their mainstream inhibition and turn their attention to the margins to confront evaluate and embrace the strangeness of behaviours ideas and ways of life at the fringes Why Because marginal behaviours can break through and take off They can go mainstream They can unleash consumer driven disruption promoting new innovation new routes to market new winners and losers and new growth Using original research and analysis of the brands that have successfully backed marginal behaviours From Marginal to Mainstream provides a framework for understanding and evaluating this non obvious untapped potential Marginal behaviours may be unpromising untested weird even sometimes repulsive yet they can point the way to the future Today s margins are tomorrow s pot of gold if you know where and how to look
