Free From Corporate America - A Tactical Guide to Success On Your Own Terms Jon Reed, 2009-03-21 Today's workers are free agents who sink or swim on their own. So what are you going to do about it? Get Free from Corporate America. Jon wrote this book for people like himself: those who want to succeed but on their own terms. The best way to take control of your future is to adopt an entrepreneurial approach to your career. This does not necessarily mean starting your own business. It does mean developing skills and assets that will improve your position. Free from Corporate America puts business ideas to the ultimate test: will they pay the rent? It's not easy to claim a better life while facing the real world limitations of time and budget. But if you're tired of get-rich-quick happy talk and need a better way forward, Free from Corporate America is your kind of book.

Stories for Work Gabrielle Dolan, 2017-02-07 Learn the science and master the art of telling a great story. Stories for Work walks you through the science of storytelling, revealing the secrets behind great storytellers and showing you how to master the art of storytelling in business. Stories hold a unique place in our psyche, and the right story at the right time can be a game-changer in business, whether tragedy, triumph, tension, or transition. A good story can captivate the listener and help you achieve your goals. In this book, author Gabrielle Dolan draws from a decade of training business leaders in storytelling to show you what works, why it works, when it works best, and what never works. You'll learn how to create your own stories authentically, yours, crafted to attain your goal and develop an instinct for sharing when the time is right. In-depth case studies feature real-world people in real-world businesses showing how storytelling has changed the way they work, motivate, and lead, providing clear examples of the power of this enormously effective skill. Storytelling gives you an edge. Whether you're after a promotion, a difficult client, a big sale, or leading through transition, a great story can help you smooth the road and seal the deal. This book is your personal coach for masterful storytelling with expert guidance and lessons learned from real-world business leaders. Learn why storytelling grabs attention and helps your message get through. Master the four types of stories used in business settings. Infuse your stories with the personal to highlight your vision and values. Craft a selection of stories to pull out at pivotal business moments. The oral tradition has ancient roots that unite all humans, and despite our myriad modern distractions, we still respond to a well-told story. Stories for Work helps you put this dynamic to work for you in any business scenario.
