Empowering the English Language Teacher in a Multipolar Environment Nima A. Nazari, 2025-07-01 This edited volume focuses on the changing landscape of English language learning and teaching. It equips English language teachers with cutting edge knowledge and developments in English language learning and teaching which they need to teach a diverse body of learners and instruct in a multipolar environment. The chapter contributors are among the high standing and most knowledgeable scholars in the subject area who in the four sections of the book provide the reader with the recent developments, changes and research in the sociocultural and socio educational aspects of ELT, ELT teacher education and teacher identity, ELT paradigm shifts and diversity in ELT. The book empowers English language teachers to teach in educational contexts where diversity, variety, complexity and fluidity are paramount. The book is a must read for English language teachers, professionals, practitioners, researchers and ELT teacher trainees and trainers. It can also be used by TESOL, TESL, TEFL and Applied Linguistics students, researchers and lecturers at BA, MA and PhD levels. **Approaching Multiliteracies: Digitally Mediated Second and Foreign Language Teacher Education** Carolyn Blume, 2025-10-15 Approaching Multiliteracies: Digitally Mediated Second and Foreign Language Teacher Education provides practical insights into developing the multiliteracies pedagogy competencies for pre service teachers. It highlights how multiliteracies pedagogy can be not just a goal of teacher education but also a means to prepare future language teachers for this task. Capitalizing on parallels between multiliteracies pedagogy and current models of second and foreign language teacher education, SFLTE, the chapters in the book illustrate how teacher educators in Europe, Asia and the United States connect new forms of digitally mediated communication with principles of initial professionalization. Integrating examples from their own practice with empirical analysis, a team of international contributors provide models of instruction that can be adapted for a variety of settings. This edited collection examines a range of methodological approaches from engaging in identity work to the use of corpora that cultivate future language teachers' dispositions and skills in integrating multiliteracies into foreign language classrooms in ways that are contextually situated, critical and digitally mediated. Primarily designed for individuals involved in language teacher education, the book will also be a key resource for in service professional development opportunities focusing on contemporary language learning and use as well as for researchers interested in efficacious models of SFLTE. *Social Media in the Changing Mathematics Classroom* Johann Engelbrecht, Greg Oates, Marcelo de Carvalho Borba, 2025-04-16 This edited volume gathers contributions from international scholars focusing on social media's role and impact on mathematics education. Social media's integration into pedagogical strategies from social networking sites to video sharing platforms offers the opportunity to enhance learning by fostering connectivity and engagement among students, ultimately improving mathematical understanding in educational settings.
