B2B Marketing Guidebook - Vol. 2 Uwe Seebacher, 2025-08-11 The future of B2B marketing isn't coming it's already here. The second volume of the significantly updated edition of *B2B Marketing* dives deep into the execution layer of modern marketing. This edition is packed with AI/PI driven methods, advanced digital tactics and best in class case studies from global leading companies such as Daikin, Mayr-Predictores, SK Laser, Thyssenkrupp and W. Rth to help B2B professionals scale growth, deepen relevance and lead in a data first world. Whether building a smarter lead generation engine, optimizing touchpoints, embracing account based strategies or navigating social selling and influencer marketing, this book provides the frameworks, tools and insights to turn vision into reality. Readers will learn how to ignite digital growth, master touchpoint performance management and align content strategy with AI. Essential for CMOs, marketing professionals, strategists and consultants, this volume is a must have for moving from theory to results. Volume 1 gave you the roadmap, Volume 2 gives you the tools to drive it.

Content Strategy Giuseppe Getto, Jack T. Labriola, Sheryl Ruskiewicz, 2022-11-30 This comprehensive text provides a how-to guide for content strategy, enabling students and professionals to understand and master the skills needed to develop and manage technical content in a range of professional contexts. The landscape of technical communication has been revolutionized by emerging technologies such as content management systems, open source information architecture and application programming interfaces that change the ways professionals create, edit, manage and deliver content. This textbook helps students and professionals develop relevant skills for this changing marketplace. It takes readers through essential skills including audience analysis, content auditing, assembling content strategy plans, collaborating with other content developers, identifying appropriate channels of communication and designing, delivering and maintaining genres appropriate to those channels. It contains knowledge and best practices gleaned from decades of research and practice in content strategy and provides its audience with a thorough introductory text in this essential area. *Content Strategy* works as a core or supplemental textbook for undergraduate and graduate classes as well as certification courses in content strategy, content management and technical communication. It also provides an accessible introduction for professionals looking to develop their skills and knowledge.
