Global Business Yongsun Paik, Dong Chen, William Newbury, Dan Prud'homme, 2025-09-18. This textbook is designed to help students recognize and analyze key issues in global business by bridging theory with real-world applications. Divided into three parts, it explores critical aspects of global business, introducing readers to relevant topics and examining core concepts and their applications through about 40 case studies. Since the first edition was published in 2017, the global business landscape has undergone profound transformations, reshaping how companies operate, compete, and innovate. This new edition incorporates critical developments in the aftermath of the COVID-19 pandemic to provide leaders with a comprehensive understanding of today's global business environment. New and updated case studies illustrate the magnitude and complexity of global business, highlighting the roles of various stakeholders. In addition to insights on emerging markets, this edition sheds new light on reglobalization, economic nationalism, and geopolitical tensions, technological innovation, and digital transformation, enabling readers to stay informed about ever-evolving trends. By demonstrating how theories and concepts work in real-world business settings, this book provides readers with the essential tools to analyze and respond to global business challenges effectively. Undergraduate students looking for an introduction to international business and graduate students looking to apply their knowledge will find *Global Business* stimulating as it demonstrates how theories and concepts work in real-world business settings.

Visa-Free & Tax-Free Genrikh Gel,2025-05-08 After fleeing my corporate job to work remotely from Bali I learned the hard way that visa free doesn t always mean hassle free This guide is

my blueprint for thriving in 2025's top destinations with zero taxes, minimal red tape and maximum adventure. Imagine if someone handed you a one-way ticket to paradise but the fine print said "Good luck not getting deported." This book is that ticket, ripped up, taped back together and stamped with the chaos of 2025's most absurd visa loopholes. It's a survival guide for the digital nomad who's tired of Zoom calls from their Brooklyn closet but doesn't have 500K to buy a crypto yacht. Think of it as Fodor's for fugitives except the only crime you're committing is fleeing the 9 to 5 grind while dodging tax collectors like they're exes at a family reunion.

How To Be a Digital Nomad and Work Wherever You Want Curtis Duggan, 2022-08-16. If you're reading this, congratulations! You're one of the first people to check out this new book. *How To Be a Digital Nomad and Work Wherever You Want*. I can guarantee it'll be the best, most concise book you'll read out there on becoming an effective remote worker and digital nomad. This book was created to help you do something that is life-changing but straightforward. Take your source of income and move temporarily or permanently wherever you'd like to go in the world. That's it. No fluff, no aspirational lifestyle mantras, no self-help guru stuff. I break down the components of the remote work lifestyle, tackle them one by one and give you the frameworks you need to plan your next move. By the way, we're also always updating it and improving it as we learn new information. The global landscape for remote work is changing every single week. We'll keep this guidebook updated accordingly. You won't have to worry about purchasing the 2023, 2024 and 2025 versions of this guidebook over and over again like your favorite guidebook at the bookstore. Purchasing this book is a lifetime pass to all future versions of this book. *How To Be a Digital Nomad and Work Wherever You Want* is your trusty guidebook as you prepare to embark on a remote work adventure. I wrote this book based on my decade of experience as a remote worker, CEO and co-founder of a remote-first company and as a part-time digital nomad. And now I get to share my information with you. It's never been easier to design the life you want and work wherever you want. This is why I love the era that we are living in. Remote work has

created the biggest shift in 100 years in how we work That s right Remember the invention of computers The Internet Smartphones Those were just warm up rounds that enabled the latest seismic earthquake in how we live and work For the first time in history you don t need to be physically located close to your job or source of economic opportunity In this easy to digest book I share everything I know about planning executing and transitioning to life as a remote worker abroad You ll learn What the term digital nomad means why I think it s cheesy and how you can get past the jargon to think about the underlying principles of location independence Different paths to becoming a digital nomad Finding your purpose Choosing a digital nomad destination in South America Europe Asia and more Tips and tricks for living life as a remote worker abroad Best practices for being an effective remote worker with teammates and clients A long term strategy for adopting the digital nomad lifestyle To get more details on what s in the book scroll through images above to see the table of contents You ll get access to 100 pages in PDF and EPUB format All future versions of this guide for the rest of your life Exclusive access to an upcoming private community of digital nomads and remote workers One more thing If you re thrown off by the term ebook consider this more like a how to guide There are probably digital nomad coaches charging hundreds of dollars for one hour consulting calls and video courses Those overpriced offers will contain a lot of the same info that s in this relatively inexpensive digital book It s a deal Join thousands of other people worldwide in starting your digital nomad journey today
