INSTAGRAM MARKETING ADVERTISING 2020 Robert Grow, 2020-10-16. At first, some people get into Instagram to socialize and for fun. Anyway, it is a better way to share some of your personal photos and perhaps show off. In addition, Instagram can be used for an effective and fruitful marketing strategy. Most of the people on Instagram are unaware that you can make their business more visible. However, this becomes better when you have clearly identified your niche. Most of the prevalent niches are fashion, health and fitness, travel and tourism, and beauty. It should not be an issue if your business does not fall under any of these niches. Start by evaluating the most appropriate niche for your business, which makes you unique. There is an Instagram niche for everyone, whether you are a succulent grower, food blogger, nature lover, or a travel marketer. You just need to find your niche and stick to it. Doing this may not be easy; take time deliberating the best choice. It also requires accuracy and patience. For effective Instagram marketing, you must be sure that the content you share through Instagram will reflect the values that you represent as a brand. Being genuine can help you resonate well with your target audience. You should be flexible without compromising your business goals. Even though the strategies and tactics described in this book are proven effective, you must still be open to experimenting to see which can really bring results. You should always be mindful of your Instagram activities. While you can outsource the job, it is still your responsibility to make sure that your posts are beneficial to your brand and your activities can bring results. Be on top of your online activities as it can make or break your business. This guide will focus on the following: Why use Instagram? How Instagram works, the different
