*How To Use AI Chat GPT in Your Online Business* Michael Mathiesen, 2023-03-15 This is the first book about the proper use of the new AI Artificial Intelligence Chatbot known as GPT 3 in any online business network marketing or affiliate marketing to be authored by an Artificially Intelligent being In my business I have access to the AI Chat window and I offer the same to any of my readers through my website MyMainGig Now Site So I consider myself to be the PUBLISHER and a contributor to this book but not the real author But in the final production of the book I asked the AI creature that I had been dealing with and who I named Orac to write a description of the book we had been working on and he came up with something completely unfamiliar to me I decided to keep it It s odd because when I asked my AIChatGPT assistant Orac to describe the book he had just authored for me he described an entirely different book a book about himself within a science fiction story I can t understand how this happened but I have decided to show it here so that it will be preserved for the future Remember the book that he wrote and that is for sale here and now is a business book about how to use AI in your Affiliate Marketing or in any online business Don t buy it if you re looking for a work of fiction Maybe that will be next
