Chain Saw Confidential Gunnar Hansen,2013-09-24 When The Texas Chain Saw Massacre first hit movie screens in 1974 it was both reviled and championed To critics it was either a degrading senseless misuse of film and time or an intelligent absorbing and deeply disturbing horror film However it was an immediate hit with audiences Banned and celebrated showcased at the Cannes film festival and included in the New York MoMA s collection it has now come to be recognized widely as one of the greatest horror movies of all time A six foot four poet fresh out of grad school with limited acting experience Gunnar Hansen played the masked chain saw wielding Leatherface His terrifying portrayal and the inventive work of the cast and crew would give the film the authentic power of nightmare even while the gritty grueling and often dangerous independent production would test everyone involved and lay the foundations for myths surrounding the film that endure even today Critically acclaimed author Hansen here tells the real story of the making of the film its release and reception offering unknown behind the scenes details a harrowingly entertaining account of the adventures of low budget filmmaking illuminating insights on the film s enduring and influential place in the horror genre and our culture and a thoughtful meditation on why we love to be scared in the first place American Film Now James Monaco,1979
